**Job Description:**

Wenden School District is seeking to fill a math/science position for grades 6th, 7th and 8th grades. We are currently using Freckle as our supplemental curriculum. This is a curriculum which places each individual learner at his or her academic level. The average classroom size is currently 10 -15 students. Teachers report back on August 10, 2020.

**Other:**

Salary is contingent on years of experience.
