2020-2021 SCHOOL OPENING PLANS

As per Arizona and CDC Guidelines

STEP 1 - August 10, 2020 through October 22, 2020

All schools closed as per Arizona and CDC recommendations

Distance Learning – All Students

- 4 days per week
- All students will have a district provided Chromebook
- Classes taught by district teachers
- Extracurricular activities and high school athletics may be altered or cancelled
- Special education team will work directly with families for service delivery options

STEP 2 - October 26, 2020 - if benchmarks indicate that it is safe

Schools reopen with enhanced social distancing – Options for Students

Hybrid Program

- Blended model that provides in-person and distance learning experiences
- Cloth face coverings/masks required
- All classes taught by district teachers
- 2 days in-person and 2 days of distance learning experiences each week.
- Allows for physical distancing by reducing the number of students in each classroom each day.
- While on campus, students will adhere to all in-person learning protocols.
- All students will have a district provided Chromebook.
- Extracurricular activities and high school athletics participation following in-person, recommended guidelines.
- Enhanced cleaning and safety protocols

Distance Learning Only

- Available if parent requests
- 4 days per week
- All students will have a district provided Chromebook
- Classes through Odyssey courseware with district teacher support
- Extracurricular activities, high school athletics and CTE hands-on classes not available in this option
- Special education team will work directly with families to schedule required therapies.
- May transition to the Hybrid Model upon parent request.

STEP 3 - To be determined

Schools reopen with all students on campus

- All students on campus 4 days per week for in-person instruction
- All students will have a district provided Chromebook
- Cloth face coverings/masks required
- Physical distancing and safety protocols will be adhered to by students and staff
- Extracurricular activities and high school athletics participation following recommended guidelines (AIA, CDC, etc.)
- Enhanced cleaning and safety protocols continued.
