President- Lisa Walker

Recap of open campus: Used uniform sale was a huge success! We sold uniforms, birthday shout-outs and PDQ cards. Brought in over \$1600! We will definitely do this again. Cathy suggested that we make sure parents are aware of donating items in order to boost sales. We will attempt another used sale around Christmas. Cathy mentioned maybe having a drop box on campus for used clothes.

Treasurer- Melissa Brockman

- Open campus earned \$1647.
- Questions about whether we have or have not paid for the white board that we agreed to pay for.

Boosters: Athletics and Fine Arts

- No updates on the athletics boosters. We should be pushing the sale of Booster Cards. Is this on the website cart?
- Lisa said to let everyone know she is looking into a playbill sponsorship package so parents and businesses can buy ads to help sponsor the show.

Fundraisers

- Used shoe collection fundraiser where we collect shoes for 60 days from the community that get recycled and given to people in need. This is both a fundraiser and a community outreach opportunity.
- Melissa Brockman suggests The Scrip Program. Gift card sales (Lowe's, Target etc) that have a % kickback. They will most likely be digital cards. Hopefully launch this as a year-round campaign.
- We need to promote AmazonSmile so the school gets a kickback for all your Amazon purchases.
- FUN RUN: Lower school will remain the same. 6-12 will now do team building activities and compete in Warrior Games and there will be a concert type event to follow for kids who raise funds. Going to teach the kids how to go out and get sponsorships. Can we get online donation/sponsorships for this?
- GALA: March 27th at the Palma Ceia Country Club. USO style theme with a live band.

Announcements

- Our first Spirit Night last night at PDQ was successful. We need to promote our PDQ cards before a spirit night and at the event. Print flyers to share with others. Text message alert was helpful. Times were incorrect so we need to get the correct information disseminated.
- Homeroom Parents: Laurie offered to take on the main coordinator. Request an ambassador for Homeroom parents. Reach out to teachers to see who still needs one.
- First coffee meet and greet was a great success and we will do another soon
- Box Tops: we have gone digital but we still collect the paper ones and middle school will take over the cut/glue/mail process.
- Monthly Newsletters to keep people informed on PTFW news!
- Spirit store is all set up. Please let her know if there is a new shirt that you want ordered.
