

## **High School Performing Arts:**

This course is a combination class including but not limited to experience in various forms of communication and performance.

Students will:

- Develop their musical, dramatic and production talents;
- Apply the talents they develop to worship and glorify God.

Students will be able to:

- Perform music of moderate difficulty, or diverse genres and styles;
- Use production concepts and techniques (e.g., auditioning, directing and producing) for creating and developing scenes
- Sing accurately, with or without accompaniment, in two and three parts.
- Experiment with different instruments.

The class is designed to be challenging and fun for the introverted as well as extroverted student.

## **Middle School Chorus**

Students build music literacy through performance, theory, sight-singing, sight reading, listening and composing. Vocal development for all students and voice categories is emphasized by focusing on posture, singing technique and choral styles.

Students will:

- Develop their musical talent;
- Apply the talents they develop to worship and glorify God.

Students will be able to:

- Sing choral works with two and three part harmonies;
- Have opportunities to sing in a performance choir for special events;
- Demonstrate knowledge of basic Music Theory and Terms.

## **Elementary Music Grades 1, 2**

This child centered program is designed to integrate the study of all learning styles. To enhance the experience for the student, we perform a major Christmas production, which involves every child and gives all children the chance to audition for major and minor roles, or solos.

Students will:

- Learn to appreciate all styles of music;
- Learn worship songs;
- Perform in the Christmas musical.

Students will be able to:

- Play rhythm instruments;
- Sing in round;
- Identify musical terms and theory;
- Identify the Orchestra Instrument divisions;
- Learn about Wolfgang Amadeus Mozart and Ludwig Von Beethoven

## **Elementary 3, 4, 5**

This child centered program is designed to integrate the study of all learning styles. To enhance the experience for the student, we perform a major Christmas production, which involves every child and gives all children the chance to audition for major and minor roles, or solos.

Students will:

- Learn to appreciate all styles of music;
- Learn worship songs;
- Perform in the Christmas musical.

Students will be able to:

- Play rhythm instruments;
- Identify musical theory and dynamic symbols;

- Speak and ostinato;
- Articulate the arrangement of the Orchestra and identify instruments from each section;
- Identify the historical significance of composers;
- Articulate details from the lives of: Mozart, Beethoven, Bach and Handel.

### **Kindergarten 3's and 4's**

This child centered program is designed to introduce children to music at a beginning level. Included in each lesson is the singing of worship songs and popular as well as traditional children's songs. To enhance the student experience, we perform a Christmas production.

Students will:

- Learn to appreciate differing styles of music;
- Learn worship songs
- Perform in the Christmas musical

Students will be able to:

- Play rhythm instruments;
- Identify the whole note, half note, quarter note and eighth note;
- Incorporate movement into music;
- Learn the instrument families;
- Learn about composers.

### **Kindergarten 5's**

This child centered program is designed to introduce children to music at a beginning level. Included in each lesson is the singing of worship songs and popular as well as traditional children's songs. To enhance the student experience, we perform a Christmas production as well as an end of the year production that coincides with K5 Graduation.

Students will:

- Learn to appreciate differing styles of music;
- Learn worship songs;
- Perform in the Christmas musical and the Graduation production.

Students will be able to:

- Play rhythm instruments;
- Identify and write the whole note, half note, quarter note and eighth note;
- Incorporate movement into music;
- Learn the instrument families;
- Learn about composers: Mozart and Beethoven;
- Learn the Orchestra Instrument Families.
