

Les devoirs d'été – Français 4/5

Your assignment for this summer is to complete **BOTH** of these activities:

- Create an account on the website [Clozemaster](https://www.clozemaster.com/login) (<https://www.clozemaster.com/login>). I would like for you to attain at least Level 10 by the time school starts back up. If you already did this last summer, try to build on your previous progress.
- Visit the [TV5](http://www.tv5monde.com/) (<http://www.tv5monde.com/>) website. Choose **at least** 5 videos (I don't care what topic) and complete ALL associated activities. Screenshot your results and paste them into a Word document.
- BONUS: Watch a French movie on Netflix and write a SHORT review! (Did you like it? Why or why not?)
