

Lassiter High School friends and families,

Three years Gas South became a Lassiter partner by supporting our effort to “Fix the Frank” and creating unique affinity program. This program provides Lassiter families, teachers, and community members discounted natural gas rates while helping to raise money for our school. We are proud of this relationship and want your help in maintaining it. It is our hope that this email will make you aware of their contributions and the benefits available to you.

Here are the benefits:

- Gas South will make an **individual donation to our school** each month that you remain a customer. The more families that sign up, the more Gas South donates to Lassiter High School.
- As a program participant **you receive** a friends and family discount of 2 cents per therm off any published rate. This discount will apply each month you remain a Gas South customer. Additionally, Gas South rates* are very competitive. See how they compare below:

	Gas South Lassiter Rates	Georgia Natural Gas	Scana
6 Month Fixed	.67	.749	.769
12 Month Fixed	.72	.779	.769
18 Month Fixed	.77	.829	.819

*January rates expire February 5th
