

SYNERGY's ParentVUE and StudentVUE

CCSD is pleased to announce a new parent and student portal for accessing student grades and attendance information. Synergy's ParentVUE and StudentVUE will replace the Pinnacle PIV application.

Parents will be required to submit a [ParentVUE Acceptable Use Policy](#) upon receiving an Activation Letter. For parents who are unavailable to attend Open House, Activation Letters may be picked up in Cheri Gross's office after August 29. For more information, see [ParentVue Guide](#).

Upon submitting the ParentVUE Acceptable Use Policy, parent must present a current photo identification.
