

Summer Assignment Summer 2020 – Incoming French 1

You might be asking yourself, “How could I possibly have a summer assignment for a course I have never experienced before?!” Well, this is not that bad; in fact, some of you might even think it is kind of fun! Here’s what I want you to do:

- Create a FREE account on Duolingo for French.
- Work through the lessons to complete Level 1.
- Work through the stories in Set 1.
- Show me your account on the first day of school.
- We will celebrate your success!
