

Coudersport Elementary Kindergarten Registration

If you have a child who will be 5 years of age by September 1, 2021,
he or she is age-eligible to attend kindergarten in the fall.
Additionally, you must reside in the Coudersport School District.

We will not be holding an in-person registration event this year, but we do need you to call us...

260-4033 or 260-4043

We will send a registration packet home with a sibling or mail the packet to you.

We need to know how many students will be part of our kindergarten class in the fall.

These are the documents that we will need when you return your packet to us:

- Child's birth certificate, hospital record, or passport - **original document needed.**
- Immunization records.
- Proof of residency (lease agreement, utility bill that shows parent's name and physical address, etc.)
- Custody papers (if applicable).
