 3. Students must have a cumulative grade point average of at least a 3.25, weighted or unweighted.
- A. Mathematics 3 units (Must include Algebra I and geometry, or an equivalent course of study that integrates Algebra I and geometry)
- B. The Elko County School District shall exempt a pupil from not more than one-half (1/2) credit per semester up to one (1) credit maximum in physical education if the pupil participates in interscholastic athletics, on a drill team, in a marching band, in a dance group or on a cheerleading squad if: (a.) The activity is sponsored by the school; and, (b.) The pupil actively participates in the activity for at least 120 hours that is verified by the coach or advisor. Once a student has completed the participation requirements the course title "Interscholastic Activities" will be posted to a student's historical grades with a grade of Pass (P). "Interscholastic Activities" is a Pass (P) or Fail (F) course. This course will not be used in the GPA or honor roll calculation; however this course does count for graduation credit
- C. Students who successfully complete Agriculture Science I & II or who complete Greenhouse Management, Veterinary Medicine, Plant Science, Ornamental Horticulture or Natural Resource Management I, will be issued a 3rd credit of science. Completion of these courses does not fulfill the Biology I or Physical Science I science requirement.
- D. Class ranking shall be determined by cumulative grade point average of all classes that are applicable toward graduation requirements in Elko County. The following weights for one-half credit per semester courses will be utilized: Regular Program: A= 4.0, B= 3.0, C=2.0, D=1.0, F=0.0; Weighted Classes: A=5.0, B=4.0, C=2.0, D=1.0, F=0.0.
- E. Weighted classes include Honors classes, Advanced Placement classes and college classes which a student has received permission from the principal to take as dual credit. All such classes shall be noted on the student's permanent record card.
- F. Credit for correspondence courses shall be granted toward graduation only when a student has received the written approval of the school principal in advance of taking the course. Correspondence courses that are college level courses may be approved by the principal as dual credit courses. All dual credit courses receive weighted credit for class ranking calculations.
- G. Select courses taken from Great Basin College (GBC) for college credit may also be given high school credit. A list of approved courses is available on the Elko County School District website; Enrollment in dual credit courses must be approved by the principal. Students must designate which required or elective high school course will be replaced by a dual credit course and receive approval from the principal prior to receiving dual credit. Dual credit courses receive weighted credit for class ranking calculations. A dual credit request form must be completed and signed by the principal prior to taking a dual credit course. Students can enroll in no more than nine (9) GBC credits per semester. Any student requesting to take more than (9) GBC credits each semester must receive approval from the principal. College credit shall be computed as three (3) semester hours of college credit equals one-half (1/2) unit of high school credit.
- H. Students taking courses for dual credit at GBC will be responsible for all application fees. They will also be responsible for all course fees, with the exception being for English 101/102, History 101/102 and courses designated by the Elko County School District. Dual credit courses will become a part of the student's official Elko County School District transcript, will be used in class ranking calculations and count towards graduation requirements. Dual credit courses taken in excess of high school graduation requirements will not be accepted by the Elko County School District or placed on a student's high school transcript
