Semester 1		Semester 2	
Course #	ECSD Course Title	Course #	ECSD Course Title

Students and their parents are responsible for enrolling in the correct courses at GBC. If a student fails any dual credit course they will be required to return to high school and will be placed in regular high school courses.

My child has permission to take dual credit courses through Great Basin College. I am aware that these courses will replace high school courses that are required for graduation. I am also aware that if my child fails these courses they may not graduate.

Parent's Signature

Date

After reviewing this student's academic record I have determined that this student meets the dual credit criteria listed above.

Counselor's Signature

Date

I approve this student's enrollment in dual credit courses.
