

ELKO COUNTY SCHOOL DISTRICT

STUDENT PERSONAL INFORMATION

INTERNET RELEASE

In continuing the process of creating web pages for individual classes, extra-curricular activities, and departments. The creators of these web pages would like to highlight student achievements on these web pages by including pictures of the students. District policy requires a signed release to publish student information and pictures. Please complete the following form to accommodate this policy requirement. If you object to having your student(s) pictures or information published on Elko County School District web pages please check the appropriate boxes. Thank you.

STUDENT NAME:	
----------------------	--

I (please print guardian name) _____ authorize Elko County School District to:
(check all that applies)
