ATTENDANCE POLICY

Regular school attendance is very important and requires the efforts and cooperation of the students, the parents/guardians, and the school. The school's responsibility is to keep accurate records, inform parents/guardians of their child's attendance, encourage students to attend school on a regular basis and take action to ensure good attendance. The parent's responsibility is to ensure that their child/children is/are in attendance, on time, on a daily basis, without unnecessary absences.

To ensure all students receive a quality education, Elko County School District policy requires a minimum number of days (90% of days enrolled) that a student must be in attendance at the school they are enrolled in to be promoted to the next grade. (Please see Elko County School District Attendance policy-J.B.B.A for further information – Partially Listed in Appendix).

Excused absences are generally ones that involve parental permission for illness, family emergency, and other pre-approved absences. An excused absence will allow a student to make up missed work and will not result in truancy. Please see the following chart for attendance examples:

QUICK REFERENCE GUIDE

These are sample situations to assist parents in understanding the attendance policy.

<u>Type of Absence</u>	<u>PARENTAL ACTION</u>	<u>Excused/Exempt Status</u>
Child is sick.	Notify School	Excused but not Exempt without doctor or nurse verification.
Child is on a school sponsored trip.	None	Student is considered in attendance.
Child gets sick at school and is sent home.	Sign student out at office.	Excused and Exempt
Child is on family vacation while school is in session.	Absence needs to be pre-arranged.	Excused but not Exempt
Child is absent due to a serious illness or death of a relative.	Notify School	Excused and Exempt. This is a verifiable family emergency.
Child is absent due to an educational experience outside of school.	Absence needs to be pre-arranged.	Excused and Exempt. Principal needs to pre-approve the educational experience.
Child is ill and absent numerous days throughout the school year.	Notify school for each absence and ask doctor for a note if one was seen.	Excused and exempt with doctor or nurse verification.
Child is absent for unknown reason.	No note or call received from parent.	Unexcused absence and NOT Exempt.

ABSENCE REPORTING PROCEDURES

Parents need to contact the office – 753-6881 – if their child/children is unexpectedly going to be absent. If you do not contact the office by 9:00 a.m., the IC Messenger system will call to inform you that your student is absent. When your child returns to school, you will need to send a written note explaining the absence. Please include the child’s first and last name, their teacher’s name, and date/dates of absence. **If an absence remains unexcused for 3 school days, after the student returns to school, they will be considered truant, per NRS392.210. (please see truancy section below)** If your child was seen by a physician, bring the school the doctor’s excuse. A doctor’s note will exempt the child’s absence and will not count towards days missed in the attendance policy

Please notify office by 9:00 if you are requesting homework. Homework can be picked up at the office after school. Students will be expected to make up missed work in a reasonable amount of time upon their return to school. Students have two days, per day absent, to make up work.

In instances where parents have advanced notice of a child’s absence, parents will need to provide a written and signed note to the office. The intent for the pre-arranged absences is to encourage students to have all assigned work completed prior to their departure, if possible. If they do not turn in work before their absence, then students are allowed two days for every day they are absent to make up their work.

TRUANCY POLICY

(Please see Elko County School District Attendance policy-J.B.C. for further information – Partially Listed in Appendix).

Per Nevada Revised Statute (NRS 392.130), the parent or legal guardian or other person having control or charge of the pupil shall notify the teacher or principal of the school orally or in writing within 3 days after the pupil returns to school.

In all cases of truancy, a letter will be sent to parents or guardian of the student describing the incident and the consequences. Parents will be advised that further truancies may cause student to be labeled a habitual truant as defined in N.R.S. 392.140 and that upon the third truancy the district is required to report student and parents or guardian to the district attorney's office. The Elko County School District Resource Officers may be employed to ensure a truant student attends school.

Spring Creek Elementary will adhere to the following procedure when the above conditions are not met and a student is deemed truant:

Truancy #1: Parents will receive a letter indicating that their child has been deemed truant. This may be mailed or delivered by a School Resource Officer.

Truancy #2: Parents will receive a letter indicating that their child has been deemed truant a second time. The letter will indicate that if the student is declared truant a third time they will be deemed a habitual truant and a citation will be issued. This may be mailed or delivered by a School Resource Officer.

Truancy #3: Parents will receive a letter indicating their child has been deemed a habitual truant, and a truancy citation will be issued. The Elko County Juvenile Detention Center will be sent a copy of the truancy citation and all three truancy letters. This may be mailed or delivered by a School Resource Officer.

Please be advised that NRS 392.210 states as follows: Any parent, guardian or other person who has control or charge of any child and to whom notice has been given of the child's truancy as provided in NRS 392.130 and 392.140, and who fails to prevent the child's subsequent truancy within that school year is guilty of a misdemeanor.

TARDY POLICY

If/When a child is tardy, please stop by the office to check in prior to proceeding to the classroom. For morning attendance, the first bell to line up with your class rings at 8:05 a.m. Students who arrive after 8:10 a.m. are counted as tardy. Excessive student tardies will be dealt with in the following manner:

3 Tardies: Student and/or Parents receive a verbal notification from the office and/or teacher.

5 Tardies: Tardy Notification Letter sent home from the office notifying parents of excessive tardies.

10 Tardies: Notification Letter sent home from the office. Parent meeting with administration. Students may be assigned recess detention for every additional tardy incurred for the rest of the school year.

LEAVING CAMPUS DURING THE DAY

Spring Creek Elementary School operates on a closed campus concept. Students must stay on the school grounds from the time they arrive, until dismissed or picked up by the bus at the end of the school day. Students who ride the bus must not leave campus after arriving or before getting on the bus after school.

Parents or other authorized designee (emergency contact) must go to the office to sign out their student *before the school will release them to leave campus during school hours* for medical appointments or any other reason. Students will only be released to parents, or persons over the age of 18 who are listed as emergency contacts on Infinite Campus. For student safety, valid ID will be required to demonstrate proof of person. Students will only be called to the office upon parent/guardian arrival.

Students are involved in educational learning at all times during the school day. If at all possible, PLEASE DO NOT CHECK YOUR STUDENT OUT OF SCHOOL EARLIER THAN THE REGULAR DISMISSAL TIME, so to limit the amount of classroom interruptions throughout the day and to maximize their educational time.

Awards

At the end of each quarter, a student recognition assembly is held. During the assembly students receive a variety of certificates and awards. Parents, guardians, and family members are welcome to attend and celebrate with their child/children. A message will be left by your classroom teacher, if your child will be a recipient the Student of the Quarter Award.

Behavior

Spring Creek Elementary School strives to offer students a positive learning environment throughout all aspects of a school day. In order to facilitate this, it is necessary to establish certain expectations and regulations governing the actions of students on school grounds, in classrooms, in the lunchroom, and on school transportation.

If you are ever notified of a behavior concern involving your son or daughter, your immediate attention and cooperation will greatly aid in the solution of the problem. Most behavior/conduct issues that arise are able to be handled quickly and positively when parents, students, teachers, and administration work collaboratively to solve the problem.

🐾 Bike Safety 🐾

Students who ride bikes to school are to park them in the designated bike rack. All bikes should be locked. No bikes are to be ridden on school lawn, parking lots, or playground. For safety reasons, students must walk bikes while on school property. No motorized bikes or scooters are permitted on school grounds during the course of the school day. The district assumes no responsibility or liability for loss or damage to bicycles

🐾 Bus Information 🐾

Students must ride their assigned bus during the school year. District policy does not allow for a bus change due to extra-curricular activities (sports, visiting friends, etc.). Only changes made on a permanent basis or for family emergencies will be permitted. Please contact the office should a change in bus assignment become necessary (moving, new childcare location, etc.).

In an emergency situation involving the bus, parents may call the Transportation Department at **738-4360**.

BUS CONDUCT

For the safety of all passengers, the following rules must be followed:

1. Be under the direct supervision and authority of the bus driver.
2. Have written permission to leave the bus other than regular stops or at school.
3. Be in their assigned seats when door closes and the bus begins motion.
4. Keep hands, feet, books, and other objects to yourself.
5. Refrain from swearing, rude gestures, and cruel teasing (verbal and nonverbal).
6. Follow bus driver's instructions.
7. Be at the bus stop at least five minutes, but not more than ten minutes prior to bus arrival time.

When a student is guilty of misconduct, the driver will complete and give the Bus Violation/Misconduct form to the school administrator. After disposition of the report, copies will be distributed to the student, parents, transportation department, and the driver.

Consequences for bus misconduct (these courses of action are considered the minimum):

- First: Driver gives warning and driver may change seat assignment.
Second: Driver changes seat assignment.
Third: Issue first misconduct report. Parent conference or notification by principal.
Fourth: Issue second misconduct report. Suspension from riding bus for 3-5 days assigned by principal. Parent conference to be held prior to reinstatement.
Fifth: Issue third misconduct report. Suspension from riding bus for minimum of 10 days assigned by principal. Parent conference to be held prior to reinstatement.
Sixth: Issue fourth misconduct report. Excluded from the bus for the balance of the school year. Parent conference and/or notification.

The severity of any student action may result in permanent suspension from the privileges of bus transportation. Suspension from bus transportation does not excuse the student from school attendance as required by the Compulsory Education Laws of the State of Nevada, N.R.S. 392.040. (See ECSD District Policy JCCC)

Actions that may result in permanent suspensions include, but are not limited to:

1. Commits or threatens to commit physical harm to driver of passengers.
2. Damages or destroys school property.
3. Absolutely refuses to obey or follow directions.
4. Engages in any activity to distract the driver's attention from his/her duties.

BUS STOP SAFETY

Children are expected to behave in a safe and orderly manner while at a bus stop before and after school. Parents are asked to instruct their children to act in an appropriate behavior while at the bus stop (i.e. no rock throwing, handling other students' property, running or playing in the street, etc.) Problems which begin at the bus stop may continue on bus or at school. Disciplinary action may result from misbehavior at bus stops.

❖ Cell Phones/Electronic Devices ❖

Cell phones are allowed on the Spring Creek Elementary campus, however, students may use their cell phone **after school hours if needed to contact a parent/guardian or babysitter**. Cell phones must be **turned off during school hours (8:10-3:00)** and stored safely in their backpacks. **Students are not allowed to call parents during the day.**

If a cell phone rings or is being used during class time, in the hallway, or at lunch the phone may be confiscated. If a student's phone is sent to the office, parents will need to come in and pick it up from the front office. The phone in the office is available for students to call in case of an emergency. If for some reason a student needs to make a call on his or her cell phone during the school day the student must go to the Administration Office and receive approval from an Administrator to use the phone. Please see the ECSD policy regarding expectations, use of, and consequences for electronic devices for additional information.

❖❖ Changes in Contact Information ❖❖

Please notify the office as soon as possible of any changes in addresses, home phone numbers, emergency contacts, employment changes, etc.

❖❖ Cheating ❖❖

Cheating can occur both at school and at home. We encourage the parents to help us monitor cheating. Instances of cheating will be handled by classroom teachers unless intervention by the administration is deemed necessary. Measures considered to be appropriate follow-up to a cheating incident could include the following: failing grade, classroom detention, and/or referral to the office.

❖❖ Closing of School ❖❖

The announcement will be made over local radio stations and on the ECSD Web page. If school needs to close during school hours or if is a situation where time allows, an **IC Messenger** telephone/text message will be sent to all parents.

❖❖ Conferences ❖❖

Informal conferences between teacher and parents are encouraged and welcomed. Please make arrangements for these meetings in advance when possible. Please refrain from interrupting teachers during instructional time. Usually teachers can be contacted before/after school and during their prep time. Many teachers can be easily contacted through email. Teachers will let you know at the beginning of the school year their preferred way of communication. Communication between parent and teacher is extremely important. Parent/family communication is encouraged and expected at Spring Creek Elementary.

❖❖ Counselor ❖❖

The school counselor provides a variety of services to Spring Creek Elementary students. Students are able to request appointments. Teachers and administrators often refer students to visit with a counselor. Many problems are resolved when students are able to visit with a counselor.

🐾 COVID-19 Guidelines 🐾

The following guidelines are in place as determined by state mandates. All guidelines are in effect as of the first day of school and will be updated as changes occur.

- K-12 students are participating in full in-person.
- Masks are optional for students at this time. However, masks are required while on district busses. Medical exemptions can be made with doctor's note. For these exemptions, face shields would be worn in place of face masks.
- All visitors on campus are to wear a mask.

🐾 Discipline 🐾

The majority of students and parents want and expect an instructional environment which is conducive to a positive educational atmosphere. Most students accept their responsibilities as demonstrated by their positive conduct and everyday interaction with other students, faculty, and staff.

All Spring Creek Elementary students are expected to be in their classroom and receiving instruction. Students are encouraged to be respectful in all situations in order for them and their classmates to have the most positive experience possible academically and socially. Discipline begins in the classroom, however, failure of students to abide by proper levels of respectfulness and/or breaking school or classroom rules and procedures may lead to a referral and disciplinary consequences from administration.

When a student receives a discipline referral, one or more of the following may occur:

1. Conference with student
2. Refer to counselor
3. Parental contact
4. Detention(s)
5. In or out-of-school suspension

*The Elko County School District Discipline Policy Matrix will be used in determining consequences. See school website for further information.

🐾 Dismissal 🐾

Students are not to remain at school after dismissal unless they are part of a school activity by a teacher. Pupils staying at school after dismissal for a school activity are to be with their adult supervisor. Students waiting for rides after school for tutoring, meetings, etc. are to remain in front of building near the doorway. If weather permits students are to wait in front of building for their ride home.

Students who remain after dismissal to engage in other organization practices or any other non-school related activities do so at their own risk. The school district assumes no responsibility for them.

🐾 District and School Information Sources 🐾

Important news and information will be shared with Spring Creek Elementary students and parents in a variety of ways:

WEBSITES

The district's site offers information about Elko County School District, including school closings and delays, school registration, Board of Education meeting agendas and minutes, district news, curriculum guides and more. The site's address is: <http://www.ecsdnv.net/>

Spring Creek Elementary School's Web site also offers current information on events and other resources.

FLYERS

Information is often sent home with flyers distributed to students. Please ask your child or check their backpack to see if they have brought home a flyer regarding important information from school.

IC Messenger

IC Messenger is an automated phone system used to inform parents of important information such as school closures, upcoming events and reminders. Please keep your contact information up-to-date in the office.

ANNOUNCEMENTS

Announcements are made over the intercom at the beginning and end of the school day. Please make sure you listen to the announcements for information and anything that may be specific to you.

🐾 Dress and Grooming 🐾

The responsibility for the appearance of the students of the Elko County School District rests with the parents and the students themselves. The purpose of this policy is to insure an environment that is clean and healthy, prevents disruptions and minimizes safety hazards in the Elko County Public Schools. Therefore, student dress and grooming rules will be left to the discretion of the building principal. When in his opinion the students' dress and/or grooming become obscene, filthy, unhealthy, or a distraction to the educational process, it may be necessary to have the student change attire, contact a parent/guardian for a conference, or suspend the student from school until such time that adjustments in dress have been made.

DRESS CODE

The following are some general outlines as to student dress. Dress code rules are not limited to the following:

- No hats, caps, or handkerchiefs are to be worn in the building except on school sponsored spirit themed days or for religious/medical purposes.
- Footwear must be worn at all times and must offer sanitary and safety protection. Flip flops are not appropriate for recess or PE and therefore discouraged to be worn at school. Students are asked to wear sandals with a back strap for safety reasons.

Our main concern with dress code is for your child's safety and well-being. Nevada weather can change very quickly. We ask you help prepare your child for temperature, snow, wind, and rain by having them wear layers of clothes and also sending them with a coat, hat, gloves, and boots. Students go outside unless the weather conditions are too severe.

❖ ❖ Drop off/Pick up ❖ ❖

When dropping off/picking up students in the front of the school please use the designated pull through lanes. Please do not leave your car to enter the building or to pick up your child as this creates an unsafe parking lot environment. If you need to come in to the school please park your car in a designated parking space. Please remind your child to seek out appropriate crossing locations before walking through the parking lot.

❖ ❖ Educational Records ❖ ❖

According to the Family Educational Rights and Privacy Act (FERPA), parents have rights to inspect and review their child's educational records. Copies must be provided if a parent is otherwise not able to inspect the records (reasonable fees may be charged for copies). Schools must comply within reasonable time but not later than 45 days after the request is made. The principal, or designee, will notify the parent of the time and place where records may be inspected.

❖ ❖ False Alarms ❖ ❖

Any student found to have deliberately caused a false alarm, including a false 911 call, will be referred to local police. School discipline including suspension and expulsion will be applicable.

❖ ❖ Field Trips ❖ ❖

Permission slips for field trips will be sent home for each trip. Teachers will notify parents of details of field trips in advance.

❖❖ Health Office Information ❖❖

GENERAL INFORMATION

The Health Office is available for students referred for medical problems and emergencies. Band aids are available in teacher classrooms for minor injuries. Only students that are too ill or too injured to attend class will be sent to the Health Office. All students must have a pass signed by the teacher in order to go to the Health Office, except in cases of emergency.

The nurse will contact parents when deemed necessary. Only the school nurse will contact parents when a student should go home related to an illness or injury. Students are not permitted to contact their parents without approval from the front office.

ILLNESS

Please do not send students to school that are ill. Please do not request that children remain indoors during the school day. Students must be under supervision at all times; this may not be possible during recess times if the student stays in the classroom. If a doctor states, in written form, that your child is well enough to attend school, is not in a condition to jeopardize the health of others, and is to remain indoors, we will do our best to accommodate this request.

IMMUNIZATION RECORDS

Nevada State Law (NRS 392.443 and 394.196) requires that a child entering school has the minimum dosages or be currently taking the required immunization series. Copies of immunization records will be taken for school records. Immunization requirements are available from the school nurse and the school district website.

MEDICATION

Any medication a student needs to take at school must have a doctor's note. No prescription or over-the-counter drugs are to be in the students' possession. When a child takes medication all year (i.e. allergy medication) a note from the doctor will be kept on file for the entire year. It is against Elko County School District policy to have any student transport medication of any kind to or from school.

A child will not be given any medication or aspirin at school without a signed medication clearance form on file. Please contact the school nurse if you have any questions or concerns.

❖❖ Infinite Campus ❖❖

Infinite Campus is a district wide program used to keep parents informed of their child's academic progress.

Infinite Campus allows parents to:

- View the student's grades.
- View assignments.

- View attendance.
- View contact information and request to have it updated.

Please contact your child's teacher for more information on your child's progress.

Please contact the front office if you do not have your username and password.

❖ ❖Lost and Found❖ ❖

It is recommended that personal items are labeled with student names in order to minimize lost items. Misplaced clothing, backpacks, lunchboxes and other items will be turned into the Lost and Found where students can check for lost items. Items not claimed by the end of the school year are donated to a charitable organization. Phones, jewelry, money, and other high value items may be turned into and picked up in the office.

❖ ❖Lunch Program❖ ❖

Spring Creek Elementary has a hot lunch program. Lunches are free for the 2021-2022 school year.

❖ ❖Notice of Nondiscrimination on the Basis of Sex Under Title IX❖ ❖

Elko County School District ("the school district") does not discriminate on the basis of sex in the education program and activity it operates. The school district is required by Title IX not to discriminate in such a manner. The requirement not to discriminate in the school district's program or activity extends to employment.

The school district's Title IX Coordinator is:

Ray Smith
Elko County School District
850 Elm Street
Elko, Nevada 89801
775-738-5196
rsmith@ecsdnv.net

Inquiries about the application of Title IX to the school district may be referred to the school district's Title IX Coordinator, or to the Assistant Secretary for Civil Rights of the U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C. 20202, or both.

❁❁ Parent Contact with Students (Non-Emergency) ❁❁

All parent messages and/or drop offs for students will be left in the office. In an effort to minimize classroom disruptions, all non-emergency messages and drop offs will be delivered at the end of the day. Messages or drop offs that have a more immediate need will be delivered in a timely manner. Flowers and other celebration deliveries will be distributed at the end of the school day.

❁❁ Parent and Teacher Association (PTA) ❁❁

Many parents and community volunteers work with students individually or in small groups. All volunteers are required to read, sign, and adhere to our **Volunteer Confidentiality Contract**. Typical volunteer activities include listening to students read, reading orally to students, math and reading flash card drills, assisting with art activities, etc. Some share their talent in art, music, travels, business, etc. with entire classes. We appreciate and welcome this type of participation. We firmly believe that the use of volunteers improves the school environment because it allows for more individualized attention for our students. In addition, it provides community members an excellent opportunity to find out what is happening in our school. **All visitors and volunteers must check into the office and receive a visitor badge.**

If you are interested in volunteer work in our school, please contact the front office or the classroom teacher.
