

Dear Kindergarten Families,

As your child prepares for an exciting year in Kindergarten, I am giving you a list of suggested school supplies. Our learning is active, constructive and very hands-on. We use lots of different materials and I appreciate whatever you can send.

- Large package of napkins for snack time
- paper cups for snack time (5-7 ounces) **Please, NO Styrofoam**, they tip too easily.
- Gallon size Ziplock style bags
- 3 regular size cans of Play Doh brand Play Doh
- A bag of cotton balls
- A container of Clorox or Lysol wipes
- A pair of child size headphones. **Please put these in a ziplock bag labeled with your child's name.**
- A backpack large enough to hold a full size folder. The mini backpacks are cute but not very practical. **Please write your child's name on the front of the backpack with a permanent marker.**

I am looking forward to meeting each of you on the first day! We will have fun and learn so much this year!!

Mrs. Nichole Rodriguez
