- College ruled loose leaf paper
- Pencil pouch
- Colored pencils
- 8- two pocket folders with brad clips (2 red, 2 blue, 2 yellow, 2 green- if available.) These help with organization for classes. They're cheap now, so it's best to get 2 of each for when they fall apart later in the year. Don't stress the colors if you've already purchased them! We will help them label them! :)
