Dear Wonderful Nazareth Parents,

Congratulations to our 8th grade students on their graduation from Nazareth School today. We wish you all the best and pray you will come back and visit us. Please remember our core values are based on Scripture and the heritage and tradition of the Sisters of Nazareth – Respect, Hospitality, Love, Justice, Compassion, and Patience. Keep them close to your heart and let them guide you to the next adventure in your lives...high school.

It is with great sadness in my heart to announce that Mrs. Coito (Mrs. C.) will not be returning to Nazareth School in the Fall. She will be retiring to spend her days playing with her beautiful new grandson. Her joyful spirit will be missed by everyone at Nazareth School. Please wish her well as she takes on the new adventure of “Grandma” in her life.

Only 3 more days left of school for our wonderful Nazareth School students. Please join us on Wednesday, June 9th at 8:30am, via Zoom, as we celebrate Mass as an entire school. The Mass will be lived streamed for all distance learners and parents to join.

PTG is hosting a family fun Movie Night at the Santee Drive-In on Thursday, June 10th at 8:30pm. Join Nazareth families for a night of popcorn, fun and the joy of a real “drive-in” experience. Please arrive 45 minutes before showtime to reserve a space with the Nazareth Community. The theater just released the name of the movie, it will be Cruella and is rated PG-13. The tickets are only \$10 per adult, \$4 per child (5-12), and 4 years old and under are free. We have included a detailed flyer in this week’s Nazareth News with all of the pertinent details listed. Please plan to come and enjoy this great Nazareth Community event!

We are excited for our Nazareth School Field Day on Monday, June 7th. We will be having a special Zoom Assembly in the morning to begin the field day festivities. During the assembly, fifth grade will have the pleasure of painting my hair blue and yellow, to celebrate Nazareth raising over \$30,000 for tuition and new iPads next year.

Please note that Preschool Buzzy Bees will be hosting their own COVID-19 safe events and will be having a special Ice Cream Social. Grades kindergarten through 7th grade will be socially distant on the upper and lower fields. A free Pizza Lunch will be provided by Nazareth for all students, preschool to seventh grade.

All students will need to bring a personal water bottle for the day, in order to stay hydrated and safe. Please help your child apply sunscreen and bring a hat. All classes will begin in their homeroom to create fun team posters. Please note all classes will remain in their classroom cohorts throughout the day. Each class will be divided in half and will compete against their own grade, represented as the blue team or yellow team. Please follow the teachers' instructions regarding what color t-shirt your child will need to wear to school on Monday.

There will be eight fun activity stations scattered across the upper and lower fields, with water bottles accessible at every station. We will be utilizing the upper campus restrooms as an entire school. Thank you to Mr. Fairchild for coordinating the MANY parents, faculty and staff for helping make this a fabulous, fun and safe day. We welcome ALL distance learners to participate, please communicate with each child's teacher if you plan on attending Field Day.

We are excited that our Preschool Summer Camp is filling up quickly, and space is limited. Please visit our website at nazarethschool.org to sign up your 3-5 year old preschooler for six different weeks of summer fun!

June 14-15:	Science/Dino Week
June 21-25:	Sports Week
June 28-July 2:	Superhero Week
July 12-16:	Camping/Gardening Week
July 19-23:	Under the Sea Week

We are very lucky to have many events on campus next week including Preschool Promotion, and Kindergarten Graduation. Please help us to continue to be socially distant at all of these festive celebrations. Thank you for partnering with Nazareth School as we follow all of the COVID-19 Guidance's set by San Diego County, the state of California and followed by the Diocese of San Diego. Although, mask mandates and other guidance may be changing on a federal level, there have been no school guidance changes. We are in close contact with all agencies, and will follow any updates to the guidance's.

God watch over our students,
God watch over our parents and families,
God watch over our teachers and staff!

God Bless,

Mrs. René Coons
