

March 19, 2021

Dear Wonderful Nazareth Parents,

In March, we are focusing on the core value of *compassion*. In the words of Daniel Goleman, “True compassion means not only feeling another’s pain, but also being moved to help relieve it.” Let us be compassionate and have concern for the sufferings of others, especially during this Lenten Season.

Thank you to the families who registered this week for the 2021-2022 school year, we are very fortunate to have a wonderful Nazareth community. It was lovely meeting and speaking with so many of you this week. If you are still interested in returning to Nazareth, please email or call the office, first thing next week for an appointment. We are very blessed with a healthy waiting list, comprised of wonderful families who are excited to join our Nazareth family. Beginning next week, we will be inviting these new families to join our Nazareth School.

Applications are being accepted for Nazareth School Tuition Assistance for the 2021-22 school year. Nazareth School has created an account at FACTS Grant & Aid for Tuition Assistance, which is a financial needs-based program. All applicants must be enrolled in Nazareth School and the deadline is April 30, 2021.

Congratulations to the Seventh Grade and Mrs. Reed for all of their hard work on their Science Fair Projects. They proudly represented Nazareth School at this year’s Greater San Diego Science Fair, with eight students placing in 1<sup>st</sup> and 2<sup>nd</sup> place. Please see the Nazareth News for a detailed list of the categories and their achievements. Phenomenal job representing Nazareth School!

Please note that March 26, marks the end of the third quarter. Nazareth School will be sending home report cards in the Family Envelope on Thursday, April 1. Please make sure you review them with you child(ren), and return the signed report card envelope, when classes resume on April 12, 2021.

With the excitement of the Easter season approaching, we ask that our Nazareth community please respect the travel restrictions established by the state of California and embraced by the Diocese of San Diego. According to the Diocese of San Diego, the travel guidance’s established February 1 have not changed, even though San Diego is now in the “red category.” As promised, Nazareth School will continue to abide by the recommendations of the CDC, State of California, and the San Diego County Health Department, to keep our community safe from the pandemic.

If you have any questions or concerns please feel free to call the office at 619-641-7987, or email me directly at [principal@nazarethschool.org](mailto:principal@nazarethschool.org).
