

Dear Wonderful Nazareth Families,

Please know as we approach the flu season, we request that you keep your **child and siblings** home for 10 days, if they experience any **ONE** of the following Covid-19 symptoms: **Cough, Shortness of Breath, Nasal Congestions, Sore Throat, Nausea, Vomiting, or Diarrhea, Fatigue, New Loss or Smell/Taste, Headache, Muscle or Body Ache, or a Poor Appetite.**

Please call the Nazareth office at 619-641-7987 or email at office@nazarethschool.org and let us know they will be staying home. Thank you for partnering with Nazareth, to keep our community healthy and safe!

We have been provided with Covid-19 testing locations resource that are being provided throughout by the county. They are listed by location availability, and by day of the week.

[Covid-19 Testing Sites](#)

Testing is NOT required to return to school after the 10 days. If you would like your child to return to school prior to the 10 days, Nazareth will require a negative Covid-19 test and 72 hours, prior to being permitted to return to campus. We have attached the Covid 19 Decision Tree and Symptoms link:
