

September 4, 2020

Dear Wonderful Nazareth Families,

May you and your family have a very blessed Labor Day weekend. My heart was full today seeing all of the students learning, laughing and playing both on campus and in distance learning. We appreciate your great patience, as we wash hands, and navigate all of the technical issues regarding new classrooms and technology. Every day we get better!

Staying safe and healthy are critical to ensuring Nazareth School is a wonderful place to learn and grow. We cannot do this without your vigilance and support. We have linked the Covid-19 symptoms and San Diego County Fever/Covid-19 Symptoms Decision Tree in the Nazareth News. **In addition, we have outlined the Covid-19 symptoms and ask you keep your children at home for 10 days, if they are presenting any of these symptoms.** Please contact the front office if your child(ren) are ill at 619-641-7987 or email at office@nazarethschool.org.

I appreciate all of the parents who have submitted both the Nazareth School Distance Learning Plan and Nazareth School Reopening Plan. Please note we will need both signed and returned, so we may confirm your acknowledgement of our distance learning and on-campus expectations for the year. Both of the plans are accessible on our website and in this week's Nazareth School News. Please email your signed acknowledgement to office @nazarethschool.org.

I wanted to extend my great appreciation to the 7th Grade and Mrs. Kinkead for their excellent participation in Mass today. It was celebrated by Father Bill Springer; it was a glorious Mass and a joyful way to start the year together. We live streamed the Mass via Zoom, and viewed by the entire Nazareth school today. Thank you for all the families for understanding Mass will be available only to the class participating for the week. We ask parents of distance learners, to not join your child for Mass, as we are adhering to the Covid-19 state guidelines.

Thank you, parents, for completing the Nazareth Extended Day Care Survey, as we are evaluating Nazareth's need for child care. If you have not had the opportunity to complete the survey, please do as it is due by today, Friday, September 4. You will find the link in this week's Nazareth News. I believe it is very important we support our families with extended care on campus. We will have morning care beginning at 7:00am in the auditorium. Students must be temperature checked before parents may leave

campus. Extended care will be available after school until 6:00pm in the auditorium. All extended care will be at the discretion of the state and county guidance's for Covid-19.

May God watch over us all, as we pray for the continued healing of everyone affected by Covid-19.

God watch over our students,
God watch over our parents,
God watch over our teachers and staff!

God Bless,

Mrs. René Coons
Principal
Nazareth School
