One of the Academic Areas that Title I can support is Mathematics

What is Title I?
Title I is a federal program that provides funding to schools to help students who are struggling or at the most risk of falling behind.

- Title I funding is based on a school percentage of economically disadvantaged students
- https://profiles.doe.mass.edu/profiles/student.aspx?orgcode=02340005&orgtypecode=6&leftNavId=305
- Our current low-income rate is 30.1% so Petersham is considered a Title I Targeted Assistance Program (2021)

Who We Are
About Us
We are a small rural school servicing grades K – 6; we also have several students who attend our school from other communities who participate in the school choice program.

What Subject Areas and Grade Levels Does Title I Service?

Title I is primarily focused on the reading with the interventionist providing supplemental reading instruction. The Title I interventionist is considered highly qualified under federal regulations.

What does a Targeted Assistance Program Look Like at PCS?

“Education is a shared commitment between dedicated teachers, motivated students, and enthusiastic parents with high expectations”

-- Bob Beaupre

Our Focus Goals

- Raise Student Growth Proficiency (SGP) to 50+ as measured by state and local assessments
- Increase individual performance level to the next band level as measured by state and local assessments
- Increase the level of proficiency by 10% each year in reading as measured by State and local assessments

Parental Rights

- You have the right to request regular meetings to formulate suggestions and to participate in decisions about the education of your child
- You have the right to be informed about the qualification of the teachers and paraprofessionals who work with your child

Ways to Help

- Sign the School-Parent Compact
- Attend Open Houses and Title I Nights
- Remind your child to complete his/her homework
- Encourage your child to read daily
