OUR GOAL: Our goal in managing the cul-de-sac is to increase the safety for our families, children, and anyone using this area. The guidelines should be adhered to, but above all be patient and courteous. There will always be someone who does not know the rules or is not abiding by them. In these cases, we ask that you exercise the utmost tolerance, patience, and common sense. Please do not let anger get the best of you. Your support and knowledge of procedures will help to keep our students safe. Thank you for your continued understanding.
