Important Reminders

- Do you have a future kindergartener in your family? Kindergarten registration for the 2020-2021 school year is open!
 - If your child has a cell phone at school, it should be turned off in their backpacks until the dismissal bell rings. Please communicate this to your child. Any messages that need to be given to the student must go through the teacher or office.
 - If your children are sick please keep them home until they are free from fever for 24 hours. Also, all medicine must be taken to the nurse's office.
 - Please remember to call the attendance line when your child is absent and bring in a Dr. Note if applicable.

Counselors Note

One of the most important things you can do to build for your future is to take your education seriously. Author and activist Malcolm X said, "Education is our passport to the future, for tomorrow belongs to the people who prepare for it today."

How are you preparing for your future? You can begin by coming to school, listening to your teachers, turning in assignments. Small steps bring big rewards.
