

# Parent/Student Covid-19 Guidelines

**STAY HOME IF YOU ARE SICK with any of the following symptoms:**

- Fever of 100.4 or higher or chills
- Shortness of breath or difficulty breathing
- Muscle aches
- Sore throat
- Headache
- Fatigue
- Congestion or runny nose
- Cough
- Vomiting
- Diarrhea
- New loss of taste or smell

**If a Student is symptomatic or Tests positive for Covid-19:**

- Do not send your child to school
- Student will not return to school for 10 days and is encouraged to be tested
- Report the illness to the front office at your child's school, including the date that symptoms began and if any siblings attend school.

**If a Student's household member is symptomatic or tests positive for Covid-19:**

- Do not send your child to school. Student should remain home for 14 days
- Parents should report this status to their child's school

*Students who have developed COVID-19 symptoms or had a positive COVID-19 test may not return to the site until either of the following two scenarios has occurred:*

## Scenario One

- At least 24 hours have passed since recovery, which is defined as:
  - ◆ (a) resolution of fever without the use of fever-reducing medications; and
  - ◆ (b) improvement in respiratory symptoms (e.g., cough, shortness of breath); **and**
- At least 10 days have passed since the first symptoms emerged.

**OR**

## Scenario Two

- There has been a resolution of fever without the use of fever-reducing medications; **and**
- There has been improvement in respiratory symptoms (e.g., cough, shortness of breath); **and**
- A negative COVID-19 test outcome **OR** a return to school clearance from a medical provider
