## AZM2 TESTING

During the month of April our students will complete their AZM2 tests. AZM2 is a state test that students in grades third through fifth must complete. Here are some friendly reminders about AZM2 testing.

- Students must be on time every testing day.
- Please do not schedule any appointments on testing days, once students begin the test they must complete it.
- Make sure your student(s) go to bed early and eat breakfast. (Breakfast is available to all students for free at school.)
- All students must have earbuds or headphones during testing, please reach out to your students teacher if you are unable to provide a pair for your student.
- When remote students come to school for testing, please ensure that they bring a fully charged ipad.

## MONTH OF THE MILITARY CHILD

April is designated as the Month of the Military Child, underscoring the important role military children play in the armed forces community. Sponsored by the Department of Defense Military Community and Family Policy, the Month of the Military Child is a time to applaud military families and their children for the daily sacrifices they make and the challenges they overcome.

The Month of the Military Child is part of the legacy left by former Defense Secretary Caspar Weinberger. He established the Defense Department commemoration in 1986.

Purple indicates that all branches of the military are supported. Air Force blue, Army green, Navy blue, Marine red, and Coast Guard blue all are thought to combine together as a single color, purple.

Otondo is excited to celebrate the Month of the Military Child on April 16th as we Purple Up. To celebrate on April 16th, please wear purple!
