10/30	Neighborhood Halloween Parade

## ♥ 6 Ft. Apart..From My Heart to Your Heart!! ♥

We know that this new adventure has been difficult, but we appreciate your commitment to your child. It is more important than ever for us to support our child's educational journey. Be involved! Ask Questions! Help your student set goals and work to achieve those goals! Be supportive and encouraging! As we move into hybrid learning and some of our students return to campus for part of their week, remember to stay consistent and to remain involved. Your student will continue to look to you for support with the remote learning portion of their week and will continue to need encouragement from home and school. Let's work together to help each student be successful no matter where they are learning.

**Class of 2033 Showcase:** Our kindergarten students are stars here at OCJ. Our experienced team of teachers (Mrs. Tew, Ms. Morago and Ms. Garcia) work tirelessly to provide our young Jaguars with the skills

that they need to succeed. Kindergarten is a time when students are really coming into their own and are developing a sense of independence. We love watching our kinder Jaguars each year because they grow SO much inside and outside of the classroom. Many students experience school for the very first time in kindergarten and we are so happy that they get to experience it right here at OCJ. Go get 'em Class of 2033!!

**Conferences:** Conferences will be held from October 5th–October 8th. As stated above, it is important that family and school work together to help students succeed. Conferences are a great way to learn more about your student's strengths and areas of need. Please make sure that you sign up for a virtual conference with your student's teacher. Dismissal during conference week will be at 2:00 each day. Please plan accordingly.

**Learning Materials:** If your student will continue with full remote learning, then it is essential that they have the proper materials to learn at home. Every other week on Friday we have learning materials outside of the office. This month pick up days will be on October 2nd, 16th and 30th. Students will fall behind if they do not have these materials when logging into their Google Meets. We would not show up to work without the proper materials, so please help your student by picking these up on time. This helps to teach students responsibility and time management and helps them to have pride in their work when meeting with their teacher and their peers.

**Neighborhood Halloween Parade:** We are famous for our wonderful Halloween parade that we have each and every year. Like so many other things in 2020, this will look a little different this year. We are still in the process of planning this awesome event, so keep an eye out for details that will come at a later date.

**COLLEGE AND CAREER READY!!**
