## School News:

Happy March Innovators! We are thrilled to be welcoming so many of our students back for in person learning on March 8th. Student and staff safety will continue to be our number one priority and the mitigation plan outlined in the YSD #1 Return to Learning Handbook outlines all the details. We will be maximizing our space, keeping students with their classroom, wearing masks and washing our hands as much as possible. Also, students that are sick are expected to stay home. The students that are attending school on campus may be dropped off starting at 8:40 a.m. Students will be able to head to their classrooms starting at 9:10 a.m. and class will begin at 9:40 a.m. Dismissal is at 3:40 p.m. except on Wednesday when it is at 2:10 p.m. Please contact your child's teacher if you have specific questions about their daily schedule. The water fountains will remain closed so please send your child with their water bottle each day. They can refill them at the refilling station. Also, please send your child with an extra mask in a ziploc bag in their backpack.

We will celebrate Read Across America spirit week to make our return fun. Please join in and participate! Registration for new students is currently being accepted and we have a kindergarten drive thru event on March 10th from 4:00-6:00 p.m. All future Innovators are encouraged to attend.
