March 15, 2020

Dear Parents/Guardians,

Following the state-wide order by the Governor of Arizona, Doug Ducey and the Arizona Department of Education, all Yuma School District One Schools will be closed Monday, March 16, 2020 - Friday, March 27, 2020. Spring break will continue as scheduled March 30th - April 3rd. At this time, school will resume as planned on April 6, 2020. State and local officials will continue to monitor the situation, and we will communicate accordingly.

The following includes the Governor's complete message:

Meals - Schools that offer Child Nutrition Services will continue to offer breakfast and lunch as a grab 'n go service. Beginning Monday, March 16th from 11:00am - 1:00pm, anyone 18 years old and younger may visit a District One School for meal service. Lunch will be provided along with breakfast for the following morning. This meal service will continue, Monday - Friday, including spring break, until school resumes.

Student Learning - Instruction will continue at home during this school closure. On Monday, March 16th, your child's school will communicate more specific information regarding the learning plan for home.

We understand that this is a very difficult time for families and the community. Yuma School District One will continue to use all available resources to provide meaningful support for our families.

Sincerely,

James Sheldahl  
District One Superintendent
