

**High
Five**
PROGRAM

WHAT IS IT?

The High Five program is our district's employee recognition program. Every month five employees will be selected and acknowledged district-wide and at our Governing Board meetings.

HOW DOES IT WORK?

The process is simple. Employees may nominate fellow colleagues that demonstrate the five qualities of a high five employee. Every month the High Five committee will review all nominations and select the top five.

HOW DO I GET STARTED?

Go to www.yuma.org and select the High Five link under the Employees Tab to submit your nomination. First review of August nominations will be on August 27.
