

1st and 2nd Grade with Mrs. Camino

Setting up an at home learning area:

*Create a designated spot in the home with limited distractions. This is where all school material should be kept. This includes the student's hard copy materials, supplies, and their Chromebook

*Make sure there is good lighting for video chat!

Dojo Points

Students can earn points in class dojo for acting the panther way! This includes showing up on time, working hard, and being kind. Once students reach 20 points I will reset their points and send a special treat in their weekly packet.

- Although our classroom looks a little different it will still function in many of the same ways. We will follow the three guidelines. **Be safe! Be respectful! Be responsible!**
- Our school day will start at 9:00 am. Students need to be at their computers, prepared with their materials for our morning meeting. If you would not wear it to school, please do not wear it to our morning meeting!
