

Dear Parents/Guardians:

SCSD #3 is meeting the needs of students through adaptive learning. Technology devices such as Google Chrome Books provide a way for teachers and students to continue learning using Google Classroom and other educational websites. Third and Fourth-grade students will follow our established technology expectations based on the contract from the beginning of the year which is as follows: Hard copies and needed materials for the week will be picked up and dropped off Monday mornings at the normal bus route stops. Town students may pick up their materials in the front office and be ready for the morning meeting by 8:30 AM.

As responsible students, we will...

Be responsible:

Don't lose technology

Be careful holding and walking with technology devices

Charge technology devices every day

Be Safe:

Only use safe sites

Be Productive:

Focus on task

Stay on sites allowed

No passcodes

Be Respectful:

Follow rules

No cyberbullying

School appropriate

Students will need to login to their Chrome Books using their google classroom password (login sheet) Students will also need to **ALLOW** microphone speaker and camera in order to use Google Meets and communicate via Chrome Books with teacher and peers.

*** (this will be asked of the student when they join a google meet for the first time)*

*Students can use headphones when joining google meet

*There is also an option when in google meet to turn on captions

Communication:

Dojo

Email (mmoore@shr3panthers.com)

Technology Concerns: jbetz@shr3panthers.com

Please contact Jennifer Betz for questions or concerns regarding technology

Google Meet: How to use

Option A

- Click google chrome icon

- Click on the google apps icon (top right)

- Click on the google meet icon

Wait patiently for Mrs. Moore to send an invite

Option B:

- Click google chrome icon

- Click on the google apps icon (top right)

- Click on the google classroom icon

- Find announcement that says **Google Meet Link**
 - Example: Google Meet Link April 6th

Students should find a quiet spot with minimal distractions if possible to sit around the house or at a table and log into their Google Chrome Books.

Students should also come prepared with paper and pencil!
