STRATEGY Schoolwide Discipline System

A schoolwide discipline system will be developed and implemented

Filing Cabinet Count 0

ACTION STEP Schoolwide Discipline and Safety Plan

The administration will ensure a safe and orderly school environment. Regular safety drills (fire drill, lockdowns) will be conducted monthly to ensure student and staff readiness and preparedness. A consistent schoolwide discipline program will ensure that there are rules, consequences and appropriate recognition of positive behavior. Character education will be facilitated through staff training. ADE's character education grant funds will be used to integrate scientifically-based character education programs in our school. KOI will provide the staff training for a schoolwide discipline program, focused on positive behavior systems.

Communication plan for all WV families

Filing Cabinet Count	0
----------------------	---

ACTION STEP Communication Plan

The principal will require all teachers to make a minimum of 2 parental contacts per quarter. Teachers and administrators will also perform home visits if they are unable to contact parents via telephone or letters home. This will also include implementing the district's truancy program that informs parents of laws and procedure for excessive truancy as an intervention before the citation process. Student agendas will also be provided to all 6th to 8th grade students. The agenda will serve as a communication tool for school to home, and vice versa. Parents will be required to maintain signatures as proof of communication.
