When should I file my free/reduced application?

Parents may obtain a new application two weeks prior to the start of school. If your child is starting Kindergarten, please have the application filled out and submitted prior to the start of school to ensure that student's meal benefits are active on the first day of school. Students enrolled in the program from the previous year need to reapply within the first 30 days of school.

Do I need a separate application for each child in my family?

Parents need to only fill out one application per family. All students enrolled in the district may be listed on one form.

How soon will my application be processed?

Every effort is made to process each application as soon as it is received at the district office. Until the application has been approved, parents must provide their child with the necessary monies for breakfast and lunch. Parents are responsible for ALL meals including the meals that are purchased before approval status on application.
