

Time Clock Online Access

For Employees:

You are able to view your time clock punches online here (within district only):

[View Your Hours](#)

ID Number: This is the code you enter at the time clock

PIN: Just leave this box blank

The screenshot shows the 'WebClock' login interface. At the top, there's a banner with silhouettes of people and a globe. Below the banner is the 'Individual Login' section. It includes a dropdown menu for 'Select Company' (currently set to 'Fowler School District 45 [1]'), an 'Id Number' field with the placeholder 'Your Time# Here', and a 'Pin Number' field with the instruction 'Just leave pin blank'. A 'Login' button is at the bottom. A note at the bottom of the form states: 'For the best browsing experience, IE 8.0 or Firefox 3.3 or higher browsers are recommended.'

Click the View button on the left hand side, then click the view button again, then click hours. You can use the arrow buttons in the lower right corner of the window to look at historical punches.

Click the View button

Click the view button, then click Hours...

Use the arrow buttons at the bottom right to go back a week as necessary.

For Managers:

Authorized managers are able to manage, view employee time, and run reports online – just like you do with Time Clock Manager at the link below.
