

Newell Barney PTSO Minutes
Tuesday, December 3, 2019, 4:30 pm
NBMS Conference Room

Open 4:26 pm by Rachel

Old Business/Updates:

*Upcoming Spirit Nights -

12/11 - Subway and Crumbl;

1/15/2020 - Barros - there will be a teacher competition sometime that evening.

2/12/2020 - Menchie's is scheduled, Cori will continue to work on trying to also schedule Cafe Rio.

March - possibly tie food trucks into conferences. This will be discussed further in January.

*Coffee Stations are going well and are very appreciated by the teachers & staff. Restocking is being done every day. Costs are definitely increasing. We will look at the financial commitment in the Spring to gauge sustainability. PTSO will consider asking parents for donations to maintain the coffee bars.

*PBIS is beginning to spend the money that was designated for prizes. Prizes were purchased for the 2nd quarter gifts to have a WOW affect to increase interest.

*Thanksgiving Pies went very well. There were an abundance of pies donated so everyone went home with a pie, and were greatly appreciated by the staff.

Principal's report - given at site council meeting

Student Council Report - not present

Financials:

Treasurer's Report attached to the minutes

New/Ongoing Business:

*Supply Angel Tree is being organized and planned by Sean. Teacher Lunch on 12/19/2019 will be purchased from Filibertos using the money donated by the insurance agent from State Farm. Julie will create a list of additional food and supplies that will be needed to be purchased that are not provided with the food.

*Harkins Fundraiser was due today. Kristi will send Cheryl an email to be sent tomorrow to extend sales until Thursday. Sandi will organize the sales and get the order sent in.

*2nd Semester Calendar - Kristi will update with scheduled Spirit Nights and activities that are known.

*AZ Ice Night is scheduled for 1/24/2020. Ashley created the fliers to be distributed. A few corrections are needed. Fliers will be made and distributed the week of or before the event. Future planning will be done by board in January.

*Vintage Market/Garage Sale was postponed and is now 12/14/2019.

*8th Grade Dance is scheduled for April 17th. Rachel is taking point to schedule a DJ and communicate with QCMS PTSO. The snacks are going to be increased this year but will be planned closer to the dance.

*Cheryl has made Purchase Requests for popcorn supplies for the popcorn machine for \$22.99, a cotton candy maker and supplies for \$184.99 & \$39.99, and a slushy machine for \$799.00. Cori makes a motion to purchase 1 of the 24 pack of popcorn supplies requested by Cheryl. Rachel seconds the motion; motion carries. The slushy machine is denied. There was concern raised regarding the storage, usage, and continued purchasing of supplies that will be needed for the cotton candy machine. Kristi will discuss the concerns with Cheryl. Purchase of the cotton candy machine is tabled for future discussion.

*Cori discussed with Kevin the need for new microwaves for the students to use for lunches. There were 4, but 2 have broken so there are only 2 that can currently be used. A microwave can be purchased from Walmart for about \$60.00. Cori makes a motion to purchase 2 microwaves, not to exceed \$150.00, to be used for student lunches. Sandi seconds; motion carries. Cori will order the microwaves. Tables may also be needed since the table they are currently on is sagging. Cori will continue to research the cost and availability of purchasing a table for the microwaves.

*Tom is currently storing the new coolers in the break room. They take up a lot of room because they have to fully dry with the lids off. Shelves may be needed to help dry and store the coolers. Cori will continue to look into options for non-attaching shelves to put into the break room.

Next Meeting January 28th, 2020

Adjourn at 5:19 pm
