The Community

The town of Queen Creek is rich in history and tradition. Our town dates back to 1912, but wasn't incorporated until 1989 when population growth hastened a much needed change. Queen Creek currently has over 31,000 citizens and manages to retain its small-town feel and charm.

We are proud of the many programs we offer our students and families here in Queen Creek and the schools have a reputation for educational excellence.

The School

Queen Creek High School is a comprehensive four-year school that stretches over 53 acres in the southeast valley. The facilities available on campus include a performing arts center, career and technological education labs, athletic weight rooms/field house, numerous athletic fields and two indoor gymnasiums.

Our faculty and staff offer our students a challenging educational experience that will prepare them to be life-long learners. We embrace the contributions of each of our students and believe you will find academic and extracurricular offerings that are unmatched by any charter school. Every day we strive to enlighten our students academically and inspire them in their personal pursuits.

School Motto

"High Achievement in a Caring Environment"

The Academic Year

The school year is considered to be a modified year round schedule: 9 weeks of instruction with 2 week breaks. Daily classes consist of six 48-60 minute periods, with a split lunch and Achievement Hour Tuesday through Friday.

Career & Technical Education Courses

Career & Technical Education (CTE) courses prepare students to succeed in future careers, post-secondary educational opportunities and to become life long learners by providing them with the necessary academic and technical skills, knowledge and hands on training. We offer 13 CTE programs on our campus, 5 Career & Technical Student Organizations (CTSOs) and work based learning internships. Our programs consistently rank as the top CTE programs in technical skill attainment and CTSSO competitions.
