New Principal Named for Silver Valley Elementary School

FOR IMMEDIATE RELEASE - The Queen Creek Unified School District (QCUSD) Governing Board and Dr. Perry Berry, QCUSD superintendent, have announced that Mrs. Kelli Frazier will be the new principal of Silver Valley Elementary School.

“Mrs. Frazier is highly recommended as a strong instructional leader with tremendous work ethic and passion,” said Superintendent Berry. “We look forward to having her join our principal team.”

Mrs. Frazier has been a part of the Queen Creek Unified School district for six years. She spent two years at Queen Creek Elementary and four years at Gateway Polytechnic Academy. During her time with the district, she has been a reading specialist, data specialist and dean of students. Kelli is also a graduate of our Queen Creek Leadership Academy (QCLA). Prior to working in QCUSD, Mrs. Frazier worked in Sunnyside Unified School District (SUSD) in Tucson. While working with SUSD, she taught 2nd and 4th grade, was a reading specialist and a program facilitator.

“I am honored to serve as principal at Silver Valley Elementary and am looking forward to working with the staff, students, families and community members to help inspire and optimize the potential of every student entrusted in our care,” said Mrs. Frazier. “I view this opportunity as a privilege and am looking forward to continuing to serve with the level of excellence you have come to expect from the Queen Creek Unified School District.”

Silver Valley Elementary School is located in the Cadence at Gateway community in Mesa, which is in the northern part of District boundaries.

Kelli and her husband, Michael, have three children. She loves the outdoors, hiking, camping and being with her family. When not at work, Kelli spends time in Christopher Creek at her family’s cabin.
