## Athletic Director Named for Eastmark High School

(Queen Creek, AZ) - [Queen Creek Unified School District](#) (QCUSD) Superintendent Perry Berry has announced the hiring of Kraig Leuschner as the Athletic Director of [Eastmark High School](#) (EHS), the newest school in the QCUSD family. Eastmark High School is set to open this July in the Eastmark community near Ellsworth and Ray. The QCUSD Governing Board approved the hiring of Mr. Leuschner at the April 2nd Board meeting.

Kraig has more than a decade of experience as an educator in Arizona. He has a Bachelor of Arts in Education from Arizona State University and a Master of Educational Leadership from Northern Arizona University. He comes to QCUSD from Saguaro High School in Scottsdale where he was just named the 4A Conference Athletic Director of the Year by the Arizona Interscholastic Association.

During his tenure as Athletic Director/Assistant Principal at Saguaro, the school celebrated individual and team state championships in Football, Swim, Dive, and Track; while seeing an increase in total student athlete participation through new athletic programs. Prior to Saguaro, Kraig was a special education teacher at Williams Field and Perry High Schools. He has also coached Varsity Baseball.

"It is my biggest passion to celebrate the achievements of our students and raise the leadership capacity of our community," Mr. Leuschner said. "I look forward to bringing that passion to Eastmark High School."

Kraig and his wife, Alexandra, have two children: Jake (6) and Macy (4). In their spare time, the Leuschner's like traveling to the Bay Area, San Diego, Florida, and Long Island to be with family and friends.

Eastmark High School is a comprehensive high school featuring Career Path Academies. EHS is now enrolling students in seventh through tenth grades. The first day of school is July 24, 2019. Follow Eastmark High School Athletics on Twitter at [@ehs\\_firebirds](#).

**About QCUSD:** Queen Creek Unified School District supports the development of the whole child by modeling positive academic, social and emotional learning through an innovative and challenging curriculum. Learning is maximized by empowering the community, and its members, to partner with us to create safe and secure learning environments for all students. Queen Creek Unified School District expects their students to be successful, compassionate and productive in their learning so that the next generation of ethical citizens can lead our community both locally and globally.
