Dear QCUSD Families,

As you know, school districts around the state including Queen Creek Unified have been preparing for the possibility of extended school closures. Today Governor Ducey announced that all Arizona schools will remain closed through **April 10**. This closure is an effort to help reduce the spread of Coronavirus (COVID-19). Read the Governor's message [here](#).

Currently, we are preparing for a full transition to remote learning. As we work towards that effort, you can find the following information on our website:

- [At-Home Educational Enrichment Resources](#)
- Meal Service Information
- [Family FAQ](#) (which we will continue to update as information becomes available)

Thank you for your continued patience as we work through this trying time.

Sincerely,

Queen Creek Unified School District
