

Signs of Suicide: Zoom Based Parent Presentation

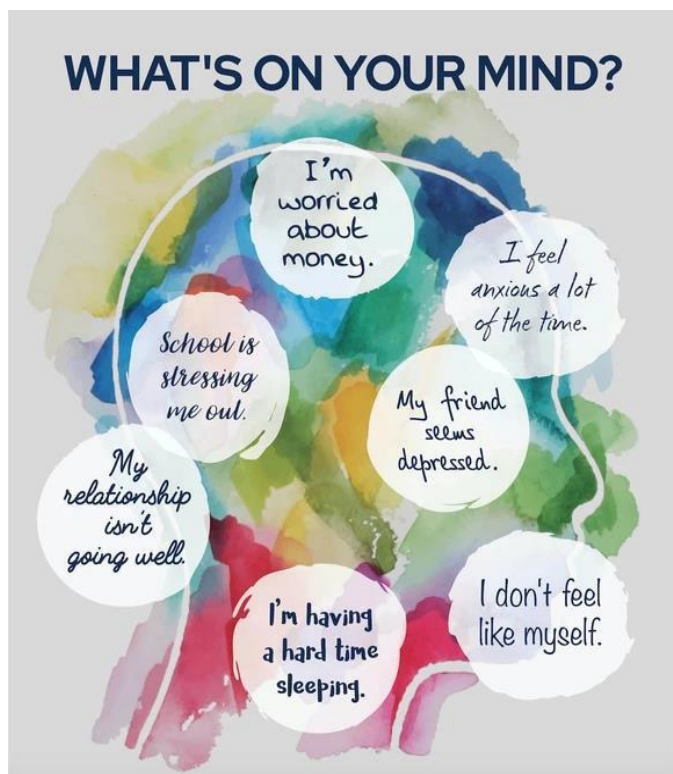

All parents are being invited to attend the *Signs of Suicide (SOS)* presentation. SOS is an evidence-based prevention program developed by Mindwise and presented by La Frontera, EMPACT-SPC. This presentation will focus on Signs of Suicide program content and how the program will be virtually implemented in your child's school. A viewing of both middle school and high school videos will be offered and an opportunity for questions and discussion will follow.

The SOS program addresses:

- ✓ Warning Signs for suicide
- ✓ Identifying trusted adults
- ✓ How to get help
- ✓ Available resources

Parents who attend will better understand changes to the program to meet the needs of students during this challenging time. For more information about the Signs of Suicide (SOS) program, please visit:
