Queen Creek Unified School District Preschool

Our Preschool Mission:

Queen Creek Unified School District Preschool provides a safe and nurturing environment that builds the foundation for lifelong learning and a love of education.

Our Preschool Philosophy:

In all QCUSD Preschool Programs, the emphasis is on supporting the growth and development of the “whole” child. Our certified teaching staff use the Arizona Early Learning Standards to design developmentally appropriate lessons that provide direct instruction and experience in the following areas: social-emotional development, physical development, language and literacy, mathematics, science, and arts/creative expression. These learning experiences support skill development that will build knowledge and confidence in your preschooler.

An Appropriately Certified Early Childhood Education Teacher teaches every preschool class and we have highly qualified para-educators supporting our teachers in every classroom.

Benefits of Preschool:

- **We are affordable:** Our programs are quality-based and are both flexible and affordable.
- **Your child’s safety is our priority:** All staff and volunteers are required to go through background checks through our school district, as well as local, state and federal authorities. Staff is CPR/First Aid certified and TB tested. Staff members participate in formal on-going training throughout the school year and are supported by administration and resources.
- **Low child to staff ratio:** See class enrollment information for your specific staff to student ratio.
- **We offer a variety of activities:** Students are able to expand their cognitive skills, increase self and social awareness, and explore creative expression as well as, physical development and recreational experiences through structured activities offered daily.
- **Highlight healthy lifestyle choices:** Our programs follow the Department of Health Services meal and snack guidelines to promote healthy food choices. Recess is an important part of our day and students are encouraged to enjoy physical activity.
- **We are licensed:** Each site is licensed through the Arizona Department of Health Services.
- **WE LOVE WORKING WITH YOUR CHILDREN!** At the core of this exciting and fun program is the well-being of the total child. Our staff engage with and supervise children in a variety of activities designed to meet their interests and needs.

New for the 2019-2020 School Year - Before and Aftercare:

QCUSD Preschool will now offer before and after care for preschool age students enrolled in tuition preschool. Full-Day students can attend before and aftercare after completing a contract for enrollment on Eleyo. Students attending ½-day preschool can also attend. Students attending morning preschool can attend before care, and students attending ½ day preschool in the afternoon can attend aftercare. In order to attend, students must be enrolled using the contract system in Eleyo.

Arizona DHS Licensing

Our sites are licensed and inspected by the Arizona Department of Health Services (AZDHS). Facility inspection reports are available for public viewing at the Arizona Department of Health Services, 150 N. 18th Ave, Phoenix Arizona 85007. AZDHS phone number is 602-364-2539. DHS inspection reports are also available at the District Office, or at our tuition preschool sites.

Registration and Acceptance Policies:

- Preschool registration is a 2-step process.
 - First, students are registered using the Eleyo Online Enrollment Portal - <https://qcusd.ce.eleyo.com/>. All information needs to be filled in completely and accurately to prevent delayed entry into the program.
 - Second, parents will register at the school of attendance and present the original birth certificate, immunization records, proof of residence, and a photo ID.
- Only the parent/legal guardian may register the child for a preschool class.
- Space is limited and early registration is recommended. Confirmation emails are sent once your child(ren) has been approved.
- The school (preschool) is required to have a copy of your child's immunization record provided by parent/guardian.
- If your child has an Individualized Education Plan (IEP), the document must be made available to the program for review prior to the child being approved for services. This is a requirement of the State of Arizona.
- Parents/legal guardians must agree to read and respond to emails as needed. This is our main form of communication for invoicing, so email addresses must be correct.

School Age Requirements:

Students must be at least 3 years old and potty trained to enroll, students cannot be older than 5 at the time of enrollment.

Preschool Schedule:

Coyote Pups 2-Day AM: Tuesday and Thursday from 8:50 am – 11:20 am (QCE and GPA only)

Coyote Pups 2-Day PM: Tuesday and Thursday from 12:40 pm - 3:10 pm (QCE, JBE, GPA, SVE)

Kinder-Prep 3-Day AM: Monday, Wednesday, Friday from 8:50 am - 11:20 am (QCE and GPA only)

Kinder-Prep 3-Day PM: Monday, Wednesday, Friday from 12:40 pm - 3:10 pm (QCE, JBE, GPA, SVE)

Kinder-Prep 5-Day AM: Monday - Friday from 8:50 am - 11:20 am (QCE, JBE, GPA, SVE)

3-Day/5-Day Flex: Monday - Friday from 12:40 pm - 3:10 pm (GPA only)

Full-Day Preschool: Monday - Friday 8:30 am - 3:15 pm (JBE, GPA, SVE only)

Full-Day Flex: Monday - Friday 8:30 am - 3:15 pm (QCE only)

Sign-In/Sign-Out Procedures

For the safety of your child, any individuals removing children from the program will be required to show proof of identification to the site staff. A child will not be released to an individual refusing to show ID upon request, or an individual who is not on the emergency contact list or DHS card. **Always bring a valid (state) picture ID to the site. Do not assume you will not need it!**

- DHS requires that a parent or an authorized party sign a child in/out of the program before and after each preschool class. Only enrolling parent can designate authorized pickup parties. Those authorized parties may not assign that right to an unauthorized party. To sign a child out, the parent or authorized party must sign his/her full name along with the date and time in ink. The child must leave the site with parent/authorized party once he/she has been signed out.
- An enrolled child will be released only to those persons specifically authorized on the emergency information form. **A sibling may not sign out a child unless he/she is listed on the emergency form as an authorized party and is 18 or older.** Exceptions cannot be made without advance written permission of the parent. Site staff is not eligible to be an authorized party for any child other than their own.
- Under the laws of the state of Arizona, both parents may have the right to pick up a child, unless a court order restricts that right. The enrolling parent who chooses not to include the child's other parent on the authorized pickup list, must file an official court document (e.g., current restraining order, sole custody decree, divorce decree, stating sole custody). Absent that document, the childcare center may release the child to either parent, provided that parent documents his paternity/her maternity of the child.
- If only one parent has sole legal custody of a child, the school office must have court orders on file.

Absences

In the event that a child will not attend school, it is the parent/guardian's responsibility to contact the school attendance line to report the absence. There are no reimbursements for students who are ill.

Illness

Parents must inform the preschool teacher or school attendance clerk when an absence is due to illness. Please inform the site lead when a child's absence is due to a potentially infectious illness. It is not recommended that a child attend the program with any of the following symptoms:

- **Fever within the past 24 hours**
- **Swollen Glands**
- **Vomiting and/or Diarrhea**
- **Undiagnosed Rash**
- **Head Lice**

A child who did not attend preschool due to illness will not be accepted into before or aftercare that day. If a child becomes ill while attending preschool/extended care with a fever, vomiting, frequent diarrhea, or onset of a rash, a parent/guardian/emergency contact will be notified to pick-up the child.

Refunds/Credits:

Refunds or credits are not given for regular illnesses.

Missing Child Procedures

If a child does not arrive at aftercare after school, and we have not received prior notification for the absence, we will institute a “Missing Child Procedure” until the child is accounted for. This procedure includes determining whether the child attended preschool that day and checking with the child’s teacher (and other school staff) for information.

The “Missing Child Procedure” will include contacting parents, checking the perimeter of the campus, notifying district office, and if the child cannot be located, police may be notified, and 911 called. The district office will be contacted in this order: Preschool Coordinator, Director of Special Education.

“Missing Child Procedures” are time-consuming and place the safety of other children at-risk due to staff having to leave the program area. *It is critical that families make the site staff aware of any absences by calling the school.*

Tuition Payment Policies - No payments will be accepted at any school sites

- Tuition is due prior to attending the program.
- Registration and payments are made through our online Eleyo registration and payment system at <https://qcusd.ce.eleyo.com>.
- Payment methods include:
 - Online ACH from checking or savings and Credit cards.
 - Mail to QCUSD District Office, Attn: Tuition Preschool, 20217 E. Chandler Hts Rd, Queen Creek, AZ 85142 (allow at least one week for processing) – checks or money orders only.
 - In person at the District office located at 20217 E. Chandler Heights Road, Queen Creek, AZ 85142. Only cash, check or money orders are accepted in person.
 - Tax Credits – Tax credits are not taken for payment of preschool tuition.
- Payment history for tax purposes, insurance and reimbursements are available on your family account online.
- The financially responsible parties will be liable for any fees, charges or legal costs incurred by QCUSD in the collection of delinquent accounts.

Summary Of Fees:

The following fees will be assessed based upon the applicable criteria listed below. All fees, charges and payments are non-refundable and non-transferable.

- \$25 late payment/cancel fee may be assessed per family if deadlines are not met for payments, cancellations, or contract changes. Charges are assessed if an invoice remains unpaid seven days from due date shown. No child will be allowed to attend without prior payment or arrangements with the Preschool Coordinator
- \$50 registration fee per year, per child. Payment is due upon initial registration- This is non-refundable.

Discounts: (Discounts may not be combined)

- **Sibling Discount** - 10% per additional sibling enrolled in the program. (Discount is taken off the lowest tuition cost)
- **Employee Discount:** - 10% employee discount - must be parent or guardian of child to qualify.
- **Paid In Full Discount:**- 10% discount for paid in full for all ½ day programs - payment due on the first day of preschool.

Cancellations Deadlines

Cancellation is defined as the parents/guardians removing their child from a program in which the child is currently enrolled.

Dismissal From Program:

- A child may be removed from the program if the account is delinquent. The financially responsible party will be liable for any costs incurred in the collection of the balance due.
- Preschool staff reserves the right to remove any child from the program due to behavior that endangers the safety of the child or the safety of other children and/or staff. No refunds or credits to the family account will be given if a child is removed from a preschool program.
- Any and all behavioral incidents are situational and will be documented by incident reports shared with parents as they occur. Our goal is to ensure success for all children enrolled in our program through positive reinforcement and communication.

Behavior Guidelines

Social growth and learning is an essential part of childhood. For this reason, the preschool staff will work with children to teach behavior expectations and emotional regulation. Behavioral guidelines are established to maintain the physical and emotional well-being of each student and to teach self-discipline, judgment, and manners. Positive behavior management strategies, like positive reinforcement, are used to guide children's behavior. Parents and staff are partners in nurturing and supporting each child's development.

If program administration determines that a child cannot safely function within the program, or that the child's behavior presents a danger to the child or others (students and staff), we reserve the right to remove the child from Preschool.

Appropriate behavior is essential to learning and growing and is based on mutual respect for the rights and property of others, including staff, and other students. No one will be allowed to jeopardize the health, safety, or learning environment of others. Children are expected to display responsible behavior during the program.

We will teach, model, and reinforce our PBIS (Positive Behavior Interventions and Supports) expectations as follows:

- Be Kind
- Be Respectful
- Show Integrity

By teaching and reinforcing the positive behavior attributes above, we will promote a healthy and safe learning environment for student across all of our preschool programs.

Early Release Days

When schools are scheduled to release children early (please see district calendar), the preschool day is also altered. Specific times will be provided by teachers at the beginning of the school year.

Holiday and School Closures:

Preschool is not in attendance on the following holidays:

- Labor Day
- Fall Break
- Veteran's Day
- Thanksgiving
- Winter Break
- Civil Rights Day
- President's Day
- Spring Break
- Spring Holiday

Break Camps will be offered during Fall Break, Winter Break, and Spring Break. Information will be provided as each camp approaches.

Recess:

Preschool students play on the preschool and kindergarten playgrounds only. Preschool students will have recess with other preschool classes accessing equipment that is age appropriate for their use.

Snacks:

Snacks are available daily as a part of the preschool program. Snacks must meet the nutritional guidelines set by DHS. Each child is encouraged to eat a snack. Students requiring special or specific food choices will need to provide their individual snack from home. Unfortunately, the program is not able to provide food for special dietary requests.

Breakfast Foods:

Breakfast foods will be made available for students who arrive in before-care prior to 8:00 AM.

Lunch:

For full-day students, parents can pack a sack lunch from home, or purchase a hot lunch from the school cafeteria.

Naps and Rest Time: (Full-Day Preschool Only)

Each day, students enrolled and attending Full-Day Preschool will have a scheduled rest/nap time. QCUSD Preschool will provide a cot or nap mat for each child.

- Parents are required to provide a sheet and blanket that will be sent home to be laundered each week. Parents must return the clean sheet and blanket the first day of attendance the following week.

Personal Belongings:

We do not assume responsibility for personal items. Please label your child's belongings with their first and last name. Children should leave toys, electronic games, and electronics at home.

Parent/Family Responsibilities and Participation

We believe the key to the success of the program involves both staff and parents. As a parent of an enrolled child in preschool, you have access to the areas on the facility premises where the enrolled child is receiving child care services.

- Parents may request a conference with the site staff and/or the Preschool Coordinator at any time to discuss any concerns.
- We encourage hearing your thoughts, ideas, and concerns regarding the preschool program. Please contact your child's teacher or the Preschool Coordinator.
- Preschool schedule is available at each site.

Adult Contact

All adult conduct should fall in alignment with district expectations for the overall safety and protection of our students. All interactions between staff members and parents/guardians are expected to be appropriate and respectful on district premises and during any off-campus district-sponsored events. Anyone engaging in unsafe, inappropriate, disrespectful, or threatening conduct may be removed or asked to leave.

Field Trips and Transportation Policy:

Preschool classes do not take field trips.

Accidents & Emergencies

If a child is injured at the site, first aid will be administered. If a physician must treat a child, every effort will be made to contact the child's parent/guardian and the doctor indicated on the "emergency information card." In the event of an emergency, a child will be given the necessary emergency treatment until a parent/guardian can be contacted. If contacted in the case of an emergency, please be sure you know what medical facility should be receiving your child for treatment.

Health Records

Any changes and revisions to health records must be made immediately at your site and online using the Eleyo system. Changes to emergency information and revisions of immunization records presented to the school office will not be forwarded to our program. Please remember to keep all records updated. A child's immunization record must be provided at the time of registration. The immunization record provided by the parent shall contain all information required by the Arizona Department of Health Services.

Medication Administration & Emergency Procedures

Prescription Medication. Medications may be administered to children during the school day when circumstances require that the child must take medicine at school. A parent must fill out an appropriate form (available from the school nurse or health aide) requesting administration of the medicine. A written order from a licensed physician or licensed nurse practitioner is required, with the name of the child, name of medication, dosage, and time medicine should be given. Medicine must be in a properly labeled prescription bottle, as received from the pharmacy, with the name of the participant, the name of the medicine, the dosage, and the time the medication should be given. All instances of administration of medicine to children must be documented in a log. The medication must be stored in a locked storage container or cabinet.

- Any unused or expired prescription medication will be returned to the parent or guardian. If a parent/guardian chooses to not replace the medication promptly, QCUSD is released of all liability. Medications will be disposed of two weeks after the expiration date or a child's withdrawal from the program.
- In case of an emergency, as determined by program staff, the paramedics will be called and a parent will be notified immediately. We are not responsible for any charges incurred (ambulance transport, etc.).

- PLEASE NOTE: A separate consent form must be filled out for holiday/intersession camps and summer camp.

Over-The-Counter Medication. A parent must provide written permission for the administration of non-prescription medication. The medication must be brought to the school in the original manufacturer's container, which states the name of the drug, the dosage, and the contents of the drug. All instances of administration of medicine to children must be documented in a log. The medication must be stored in a locked storage container or cabinet.

Liability Insurance

- The Preschool program is covered by the Queen Creek Unified School District's insurance. Documentation of insurance may be reviewed at the District Office. Queen Creek Unified School District does not carry medical insurance.
- Preschool is a school-year program open to all who meet the attendance requirements. We do not discriminate based on race, national origin, color, gender, or disability.

Child Abuse Reporting

DHS requires staff members to report suspected child abuse to law enforcement or to Department of Child Services whenever there is a reasonable belief, or a child discloses, that a child has been abused or a victim of physical injury or neglect, regardless of the identity of the perpetrator. A "reasonable belief" is when there are facts that cause a staff member to form the suspicion that a child is or has been the victim of abuse.

Pesticides

We limit the use of pesticides and herbicides in our program. If it is necessary to use pesticides or herbicides, they are applied by a licensed professional when children are not present. Material Safety Data Sheets (MSDS) for all chemicals used in pest control are kept on file at the Queen Creek Unified School District Office. Notice of Pesticide Application with dates of application is posted at all sites. Changes to these dates will be posted within 48 hours advance notice before application.

Special Needs

Queen Creek Unified School District complies with the requirement of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable Department of Health Services (DHS) regulations and applicable federal, state and local laws. Students with disabilities who meet essential eligibility will be permitted to participate in the program. Reasonable modifications will be provided to afford a student with a disability meaningful access to preschool, unless demonstrated that the modification would be a fundamental alteration in the nature of the program, or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from preschool if that student, even with reasonable modifications, is so disruptive as to jeopardize the safety, enjoyment and learning environment of other students and staff.

- **If your child has special needs or disabilities, please notify Preschool Coordinator prior to registration. DHS regulations (R9-5-507) require that you provide copies of the following: your child's IEP, medication schedule, and qualifications for staff.**
