## Note from the Principal

Wow! January was gone in a blink! I am looking forward to our virtual science fair at the end of the month! I can not wait to see all the wonderful classroom and individual projects. Don't forget the PTO is hosting a Valentine's Day raffle, Mrs. Martinez has been posting teaser pictures of all the wonderful prizes that have been donated to us. Tickets are \$1 and can be purchased by your students in their classroom or from the front office.

Thank you for your continued support by keeping students home when they are sick or someone in the household is sick. You are doing a great job!
