Message from the Principal!

Dear Beaver Creek Families,

I hope you all had a wonderful, safe Winter Break. Beaver Creek School is excited to be open and able to offer both on site and distance learning. We hope this can continue, we need your support. Please continue to keep students home when they are sick (doing distance learning), and continue to contact the school when you have an exposure or if anyone in your household tests positive. We can only continue staying open if we work as a team and communicate. You have all done a wonderful job this year balancing home school, distance learning and the continuing onsite learning, and we thank you!

We look forward to a wonderful 2021!

All hands on deck!
