August 12, 2020

Dear Families,

While the State and County Health Department benchmarks show that Yavapai County is not ready yet to open classrooms in a traditional setting, Beaver Creek School is able to provide some onsite support as shown in Scenario 3 below.

On August 17, Beaver Creek School will begin to open space for small cohorts of students to access Google Classroom from 8-3 Monday – Thursday following the school calendar. The requirements for this opening are based on the Beaver Creek School District Safety Protocols as follows:

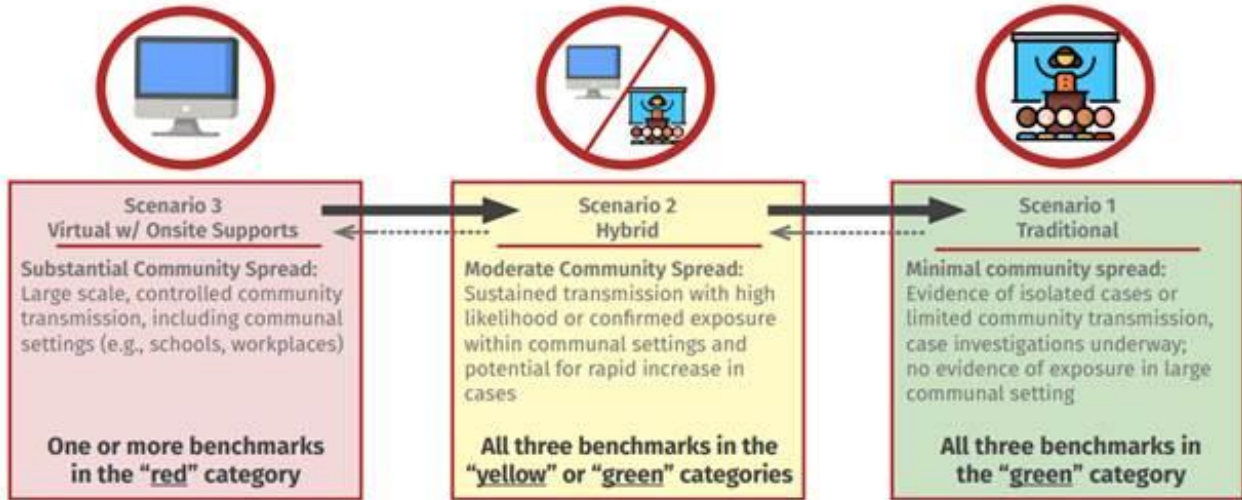

- Social distancing (small group cohorts)
- Physically distancing ( 6 feet apart)
- Disinfecting protocols throughout the day in high contact locations
- Staggered Transportation, start and stop schedules , and parent transportation encouraged
- Non- teaching staff available for small cohorts
- Meal service on site in cohorts and will continue serving on the bus schedule
- Masks will not be provided but are required for all staff and students
- Families must sign a waiver ( in Parent Vue) for the child to participate

The district has created a list of students invited to come on site for support, based on multiple measures including academic data and if they have a sibling attending high school on site in Camp Verde. However, if not yet invited and you feel your family needs a safe place for your child to access Goggle classroom curriculum (not teacher-lead instruction) we will try to meet your needs based on the limited capacity following the safety protocols. Contact Allie Wheeler.

The Beaver Creek Governing Board met on August 10<sup>th</sup> to review the benchmarks for opening based on the Arizona Department of Health Services metrics. Currently Yavapai County is has not met the benchmarks to open schools .We will continue to review the benchmarks provided by the Yavapai County Health Department. The next level of return will be in a hybrid type model. We will stay in communication on next steps as we know them! The Governing Board is ready to act on opening the campus when the data shows we are safe to open.

# COVID-19 Continuum of School Learning Scenarios

LEA's and schools reopening plans include information for operating within all scenarios outlined in Arizona's Roadmap for Reopening Schools.

Benchmarks	Minimal	Moderate	Substantial
Cases	<10 cases/100,000	10-100 cases/100,000	>100 cases/100,000
Percent Positivity	<5%	5-10%	>10%
COVID Like Illness	<5%	5-10%	>10%

**MY MASK PROTECTS YOU AND YOUR MASK PROTECTS ME.**

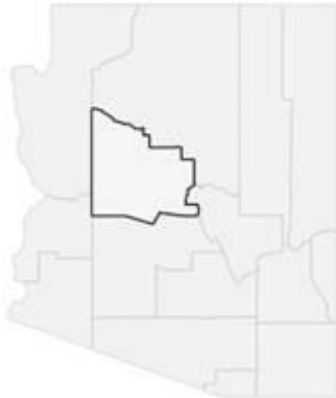

ADHS, in partnership with ADOA and other state agencies, has created a program to provide free cloth masks to vulnerable populations across the State of Arizona.

This program is being expanded to allow Arizona parents and school staff to order cloth reusable masks.

Order cloth masks on our [online request form](#) or by phone at 602-542-8664.

These cloth masks will be shipped directly to residential addresses in Arizona. Five (5) cloth masks will be shipped per order, free of charge.

Select a county to filter the data.

### What is this dashboard?

**ADHS County-Level School Benchmarks**  
This dashboard is used to determine the level of community spread of COVID-19 in Arizona and assist with decision making for the types of delivery model schools may consider.

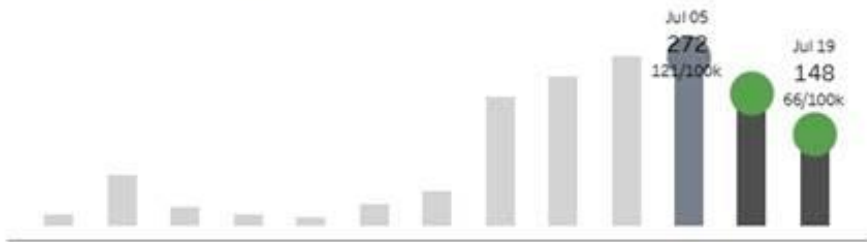

**Time Frame**  
This dashboard does not look at the past two weeks due to potential lags in data.

Hover over the icon to get more information on the data in this dashboard.

Showing data for **Yavapai County** (Northern Region)

1)  Decline in cases or less than 100 cases per 100,000 individuals for two consecutive weeks: **Benchmark Met**

2)  Two consecutive weeks with percent positivity below 7%: **Benchmark Not Met**

3)  Two consecutive weeks with hospital visits for COVID-like illnesses in the region below 10%: **Benchmark Met**
