April 22, 2021

Friends and Families of Addenbrooke Classical Academy K-8,

I want to thank you all for your support. I appreciate your understanding of the recent changes and want you to know that all of the staff has the kids' best interest at heart. We continue to be an amazing school and a healthy organization.

This is a reminder that students still need to wear masks in the building. We have been giving out about a half of a box of child sized masks each day for students who have forgotten to bring their own. We would also accept any donations of disposable child sized masks if you would like to donate them.

The Twisted Penny drive wraps up tomorrow so next week we will have a count of the monies that were raised for our art program.

Below is a list of several events that will be coming up at the K-8 building.

- | | |
|-----------|--|
