

WHAT is...

Parents of Addenbrooke Classical Students

PACS is the parent organization for Addenbrooke. We help with the “FUN” stuff in the school, grades k-12. We try to keep the fundraising self serving, meaning that it benefits you and the school at the same time. PACS only has one fundraiser but we also run the King Soopers Card program.

Mustang Mini Marathon (September 25th during the school day)

This is the BIG one for PACS every year. Where the money is used is decided by the Directors every year. Last year 2016 we earned \$10,000 for the library. This year all monies will be put towards a Weight Room!!!! This is going to be very vital to developing our sports programs and super exciting!!

King Soopers Card Program (All year long!!)

This is a no brainer for ALL OF US!!! You buy gas and groceries from King Soopers? Me too!!! Get your \$5 gift card at registration or at the front desk any time during the school year. Then just load any amount of \$\$ you want to at the store. And BOOM! The school gets 5%. This money goes to help put on and fund other events at the school (tea party, service projects, class parties, box top rewards, middle school socials, high school dances)

We also help run TONS of events in the school and support all our different grade levels. Below are some of the events...

Back to School Family Picnic (Aug 21st 6pm-8pm @ Clement Park)

A great evening to reconnect with friends, meet new ones and enjoy good company. You bring your own dinner and utensils with a dessert to share.

Elementary Room Parents (Halloween, Christmas Service Project, Valentine's Day)

These awesome parents volunteer to plan PARTIES for the classrooms. It's tons of fun, the kids and students look forward to these all year. PACS helps coordinate room parents needs and sequences of events for the k-5 classrooms. Yes, our students are allowed to dress up for Halloween, instead of having a party for Christmas we choose a charity and do a service project, for Valentine's Day we have great parties but very specially for the 5th grade they have a fancy tea party. They dress up and learn all about etiquette while enjoying each other's company.

High School (Fall Ball Oct 21st 8pm-11pm and Spring Fling April 28th 8pm-11pm)

Our High School Student Gov. plans, decorates and makes these dances happen. PACS helps support them by paying for the DJ for their events. It keeps the costs of our students tickets low and gives them more options and control over their themes.

**Please check the code of conduct and dress code for these dances.

Middle School Socials (Fall Oct 26th 3:30-5pm Spring March 8th 3:30-5pm)

Our Middle School Student Gov. plans and puts on our socials. There is dancing, food and games. Students come right after school (in uniform), they pay at the door, and they have a FABULOUS time enjoying a party together without the social pressure of bringing a date or dressing up.

Barnes and Noble Curriculum Night (November 8th 5-8pm)

In order to stock our library with "Classical" books we work with Barnes and Noble for our curriculum night/bookfair. Every Elementary Grade preforms, certain clubs from Secondary and choir groups also preform, art work is displayed, student government runs guessing games, and coloring tables. There are raffles for baskets and we all enjoy socializing. It's a great night to come together as a school to support our literary program.

Winter Workshop (December 2nd 9am-2pm)

This is a fun filled day that helps build community in our school. There are crafts for all ages, it's a fun time to take care of Christmas gifts. This year there will be a photo booth and we'll enjoy being in our new gym together!!!

** This is not a fundraiser. All crafts are priced at cost.

LOTS OF VOLUNTEERS WILL BE NEEDED TO MAKE THIS A SUCCESS!!!!

Staff Appreciation Week (May 7th-11th)

An entire week dedicated to spoiling our Staff and showing them how much we LOVE them. This school wouldn't be what it is without them and their hard work.

We're looking forward to another amazing year at Addenbrooke. For more info on upcoming events, and sign ups please visit our webpage... www.Addenbrooke.org
