

Pony Express Principal Update 1/30/2020

Friends and Family of Addenbrooke Grammar School,

This week has been pure fun for me! We got to play games in half of the Kindergarten classes and in Mrs. White's class we played games and had a special movie and popcorn day because these classes have met Mile 9 and Mile 12 in our facts race around the school. In fact, Mrs. White's class is starting her second lap in the race. I am so excited to see the students mastering their basic facts. I am hoping I get to play with more classes next week.

Tonight, we have our Curriculum Symposium and Science Fair from 5:30 - 7:30. Families will be able to participate in several activities that will reinforce part of our curriculum from Fraction Games to Levitating frogs all the ways to drawing comics and learning to tell stories. Our fifth grade science fair projects will also be on display in the Grammar School Commons. The students have worked very hard on these projects and they would love for you to stop by and hear about what they have learned. We will also have a special Lexia parent presentation for parents of children who are part of our Lexia program from 6:00 to 7:00 in the Library. Please join us! Capes and superhero costumes will fit well with the theme if you and your children wish to join.

Tomorrow, the fourth grade students will be going to the Capitol for a tour to highlight their Colorado History Unit. We will also have a special assembly presentation from Mad Science and award our student of the month pins. This assembly will start at 2:00 pm. Our students of the month will include Nozomi Fritz, Ariel Aven, Shiloh Stoll, Philip Ford, Aksel Politsch, Alex Romero, Noah Jones, Mariyah Arredondo, Verity Christian, Jordan Wing, Kolton Hlavnicka, Grace Pino, Kayna Michelsen, Logan Brewer, Kristian Pinon, Adam Larsen, Jayonni Lucero, Morgan Church, Ellie Summers, Zion Dar, Adam Larson, Morgan Church, Eli Carr, Miko Sullivan, Jael Proper, Ever Pettit, Rosalina Gallego, Jericka Lanzen, Anna Green, Ayla McKendry, Penny Bishop, Knox Beyerlein, Brittany Crittenden, Laney Duran, Graysen Campbell, Gabriel Chavez-Monge, Kinley Redfoot, Isaiah Blizz, Chase Blankenship, Olivia Moore, Jocelyn Chesshir and Dylan Smiddy.

Next week, we have Dads' Book Club on Wednesday, February 5th in the Library. The kindergarten will dress like centurions for the 100th day of school on Thursday the 6th and on Friday, the 7th, we will have our 50's themed dress-out of uniform day and Family Sock Hop that evening.

Valentines Day parties are just around the corner on 2/12. We also are starting to have some of the classroom creations come into the front office for display. These creations will be sold in our silent auction at the Denim and Diamonds Gala on March 7th.

I heard it is going to a beautiful weekend so take sometime to enjoy nature because at some point winter weather is sure to come our way.

Magnus autem sabbati,

(have a great week)
