

Physical Fitness Assessment

Annually, the district will conduct a physical fitness assessment of students in grades 3–12 who are enrolled in a physical education course or a course for which physical education credit is awarded. At the end of the school year, a parent may submit a written request to the Director to obtain the results of his or her child's physical fitness assessment conducted during the school year.

Vending Machines

The district has adopted policies and implemented procedures to comply with state and federal food service guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines see the Director.

Tobacco Prohibited

Students are prohibited from possessing or using any type of tobacco product, including electronic cigarettes, while on school property at any time or while attending an off campus school-related activity.

The district and its staff strictly enforce prohibitions against the use of all tobacco products, including electronic cigarettes, by students and others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct].
