INDEPENDENT AUDITOR'S REPORT

Board of Directors
Richard Milburn Academy/TX, Inc.
McQueeney, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Richard Milburn Academy/TX, Inc. (a nonprofit organization) (the "charter holder") which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Richard Milburn Academy/TX, Inc., as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 11 to the financial statements, at the request of the Board of Directors, the Texas Education Commissioner approved the merger of an affiliate charter holder, Richard Milburn Academy, Inc.'s assets and operations into Richard Milburn Academy/TX, Inc. effective July 1, 2014.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 13, 2015, on our consideration of Richard Milburn Academy/TX, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Richard Milburn Academy/TX, Inc.'s internal control over financial reporting and compliance.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 1 Organization and Nature of Activities

Richard Milburn Academy/TX, Inc. ("the Organization") incorporated in the State of Texas in 2000. It is a not for profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is governed by a Board of Directors comprised of four members. The Board of Directors is selected pursuant to the bylaws of the Organization and has the authority to make decisions, appoint the chief executive officer of the Organization and significantly influence operations. The Board of Directors has the primary accountability for the fiscal affairs of the Organization.

Since the Organization receives funding from local, state, and federal government sources, it must comply with the requirements of the entities providing those funds.

The Organization provides general education services for students in grades nine through twelve consisting of six campuses in Texas. The Organization operates under an open enrollment charter granted by the Texas State Board of Education and does not conduct any non-charter related activities. The Organization is part of the public school system of the State of Texas and, therefore, is entitled to distributions from the Foundation School Program, as well as other state and federal grants received through the State of Texas. However, the Organization does not have the authority to impose taxes.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Organization have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Financial Accounting Standards Board is the accepted standard setting body for establishing not-for-profit accounting and financial reporting principles. The more significant of the Organization's accounting policies are described below.

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with GAAP.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows.

Unrestricted - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted – Temporarily restricted net assets are those resources subject to donor-imposed restrictions that will be satisfied by the actions of the Organization or the passage of time. As of June 30, 2015, temporarily restricted net assets consists of unspent state program revenue of \$4,362,969.

Permanently Restricted – Permanently restricted net assets are those resources subject to donor-imposed restriction that will be maintained permanently by the Organization. The donors of these resources require that the principal be invested in perpetuity and permit the income earned, including unrealized appreciation, to be used, all or in part, for unrestricted or temporarily restricted purposes. As of June 30, 2015, the Organization had no permanently restricted net assets.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 2 Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

For financial statement purposes, the Organization considers all highly liquid investment instruments with an original maturity of three months or less to be cash equivalents.

Due From Governments

The Organization considers all government grants and contracts as exchange transactions rather than contributions. The Organization recognizes revenue from fee-for-service transactions as services are rendered and, for grants, as eligible expenditures are incurred. Advances from government agencies are recorded as deferred revenues. Eligible expenditures incurred in excess of grant fund reimbursements are recorded as receivables.

Any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds, or both, as a result of any noncompliance with terms of the grant or contract.

Capital Assets

Capital assets, which include building improvements and furniture and equipment, are reported in the financial statements. Capital assets are defined by the Organization as assets with an estimated useful life of more than one year. Such assets are recorded at historical cost and are depreciated over the estimated useful lives of the assets, which range from three to five years, using the straight-line method of depreciation. Expenditures for additions, major renewals and betterments are capitalized, and maintenance and repairs are charged to expense as incurred. Donations of assets are recorded as direct additions to net assets at fair value at the date of donation, which is then treated as cost.

Impairment of Long-Lived Assets

The Organization reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, and the effects of obsolescence, demand, competition, and other economic factors. The Organization did not recognize an impairment loss during the year ended June 30, 2015.

Contributions

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 2 Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

State Funding

The amount of state foundation school program act revenue the Organization earns may vary until the time when final values for all factors in the state aid formula become available. Availability can be as late as midway into the next fiscal year. It is at least reasonably possible that the foundation school program act revenue estimate for the year ended June 30, 2015 will change.

Revenue Recognition

Revenues from the state of Texas are based on reported attendance. Public and private grants received are recognized in the period received and when the terms of the grant are met.

Donated Services and Assets

Contributions of donated services that create or enhance nonfinancial assets or that required specialized skills that are provided by individual possessing those skills and which would typically need to be purchased if not provided by donation are recorded at the estimated fair market value in the period received.

Contributions of donated noncash assets are recorded at the estimated fair market value in the period received.

Functional Allocation of Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities and net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Contingencies

Certain conditions may exist as of the date the financial statements are issued, which may result in a loss to the Organization which will only be resolved when one or more future events occur or fail to occur. The Organization's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves and exercise of judgment. In assessing loss contingences related to legal proceedings that are pending against the Organization or unasserted claims that may result in such proceedings, the Organization's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims, as well as the perceived merits of the amount of relief sought or expected to be sought therein.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 2 Summary of Significant Accounting Policies (continued)

Contingencies (continued)

If the assessment of a contingency indicates it is possible that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Organization's financial statements. If the assessment indicates a potentially material loss contingency is not probable, but is reasonably possible, or is probable, but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss, if determinable and material, would be disclosed. Loss contingencies considered remote are generally not disclosed unless they involve guarantees, in which case the guarantees would be disclosed.

Fair Value Measurements and Disclosures

The requirements of *Fair Value Measurements and Disclosures* of the Accounting Standards Codification ("ASC") apply to all financial instruments and all nonfinancial assets and nonfinancial liabilities that are being measured and reported on a fair value basis. Fair valued is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. *Fair Value Measurements and Disclosures* also establishes a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

- Level 1 Inputs – Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that can be corroborated by observable market data for substantially the full term of the assets of liabilities.
- Level 3 Inputs – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets or liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or other valuation techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

At June 30, 2015, the Organization had no investments.

The fair value of the Organization's cash and cash equivalents, due from government agencies, deferred expenses, accounts payable, accrued wages payable approximate the carrying amounts of such instruments due to their short-term maturity.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 3 Cash and Cash Equivalents

Cash and cash equivalents as of June 30, 2015 consist of the following:

Checking accounts	\$ 711,517
Money market accounts	1,600,102
Certificates of Deposits	<u>30,886</u>
	<u>\$2,342,505</u>

Note 4 Due from Governments

Amounts due from governments consist of the following:

Amount due from other governments consist of:	
Texas Department of Education, Texas Education Agency	\$2,490,192
United States Department of Education passed through Texas Education Agency	<u>238,562</u>
Total	<u>\$2,728,754</u>

Note 5 Capital Assets

A summary of changes in capital assets is as follows:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Retirements</u>	<u>Ending Balance</u>	<u>Accumulated Depreciation</u>	<u>Net Capital Assets</u>
Building	\$ 391,070	\$ -	\$ -	\$391,070	\$ 323,880	\$ 67,390
Furniture and Equipment	<u>1,565,837</u>	<u>112,991</u>	<u>-</u>	<u>1,678,828</u>	<u>1,404,683</u>	<u>274,145</u>
Capital Assets, Net	<u>\$1,956,907</u>	<u>\$112,991</u>	<u>\$ -</u>	<u>\$2,069,898</u>	<u>\$1,728,363</u>	<u>\$341,535</u>

Capital assets acquired with public funds received by the Organization for the operation of Richard Milburn Academy/TX, Inc. constitute public property pursuant to Chapter 12 of the Texas Education Code. These assets are specifically identified on the Schedule of Capital Assets.

Depreciation expense for the year ended June 30, 2015 was \$159,108.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 6 Pension Plan Obligations

Plan Description

The Organization contributes to the Teacher Retirement System of Texas (TRS), a cost-sharing, multiple-employer defined benefit pension plan with one exception; all risks and costs are not shared by the Organization, but are the liability of the State of Texas. TRS administers retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public school systems of Texas. It operates primarily under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government code, Title 8, Chapters 803 and 805, respectively. The Texas state legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees. TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701 or by calling the TRS Communications Department at 1-800-223-8778, or by downloading the report from the TRS Internet website, www.trs.state.tx.us, under the TRS Publications Heading.

Funding Policy

Contribution requirements are not actuarially determined but are established and amended by the Texas state legislature. The state funding policy is as follows: (1) the state constitution requires the legislature to establish a member contribution rate of not less than 6.0% of the member's annual compensation and a state contribution rate of not less than 6.0% and not more than 10% of the aggregate annual compensation of all members of the system; (2) A state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 1 year, the period would be increased by such action. State law provides for a member contribution rate of 6.4% for fiscal years 2012, 2013 and 2014, and a state contribution rate of 6.0% for fiscal year 2012 and 6.4% for fiscal years 2013 and 2014. The Organization's employees' contributions to the System for the year ending August 31, 2013 were approximately \$115,000 and for the ten months ending June 30, 2014 were \$163,418, equal to the required contributions for each year. Other contributions made from federal and private grants and from the Organization for salaries above the statutory minimum for the ten months ending June 30, 2015 were \$47,979.

Note 7 Health Care Coverage

During the year ended June 30, 2015, employees of the Organization were covered by a Health Insurance Plan ("Plan"). The Organization contributed \$390 per month per employee for the period from July 1, 2014 to June 30, 2015 to the Plan. Employees, at their option, authorized payroll withholdings to pay contributions or premiums for dependents. All premiums were paid to licensed insurers.

Note 8 Risk Management Program

Worker's compensation coverage, general liability, professional liability and property coverage are being provided through purchased commercial insurance with minimum deductibles for each line of coverage. Settled claims resulting from these risks have historically not exceeded commercial coverage.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 9 Leases

Richard Milburn Academy/TX, Inc. leases its facilities under non-cancellable operating leases, which contain varying renewal options. Approximate aggregate remaining minimum rental commitments as of June 30, 2015 under these leases are summarized as follows:

<u>Fiscal Year Ending June 30,</u>	
2016	\$ 1,346,252
2017	1,036,592
2018	880,401
2019	357,471
2020 - 2028	<u>2,079,441</u>
Total	<u>\$5,700,156</u>

Rent expense for all operating leases for the year ended June 30, 2015 was \$1,376,467.

Note 10 Back Office Services

The Organization contracts with a company for back office services. The agreement provides, among other things, for the payment of a fee calculated based upon the gross revenues of the Organization. The expense for the services for the year ended June 30, 2015 was \$620,723.

Note 11 Income Tax

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except to the extent it has unrelated business taxable income. The Organization has no material unrelated business income for the year ended June 30, 2015.

Generally accepted accounting principles requires that the Organization recognize in its financial statements the financial effects of a tax position, if that position is more likely than not of being sustained upon examination, including resolution of any appeals or litigation processes, based upon the technical merits of the tax position. The new requirements also provide guidance on measurement, classification, interest and penalties and disclosure.

Tax positions taken related to the Organization's tax exempt status, unrelated business activities taxable income and deductibility of expenses and other miscellaneous tax positions have been reviewed, and management is of the opinion that material positions taken would more likely than not be sustained by examination. Accordingly, the Organization has not recorded an income tax liability for uncertain tax benefits. For the year ended June 30, 2015, there were no interest or penalties related to income taxes recorded or included in the financial statements. As of June 30, 2015, the Organization's tax years 2012 through 2014 remain subject to examination.

Richard Milburn Academy/TX, Inc.
Notes To Financial Statements
June 30, 2015

Note 12 Commitments and Contingencies

The Organization receives funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the Organization have complex compliance requirements, and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or the grantor agency.

Note 13 Evaluation of Subsequent Events

The Organization has evaluated subsequent events through November 13, 2015, the date which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Richard Milburn Academy/TX, Inc.
McQueeney, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Richard Milburn Academy/TX, Inc. (a nonprofit Organization) which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 13, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Richard Milburn Academy/TX, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Richard Milburn Academy/TX, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Richard Milburn Academy/TX, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Richard Milburn Academy/TX, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is in integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

Board of Directors
Richard Milburn Academy/TX, Inc.
McQueeney, Texas

Report on Compliance For Each Major Federal Program

We have audited Richard Milburn Academy/TX, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Richard Milburn Academy/TX, Inc.'s major federal programs for the year ended June 30, 2015. Richard Milburn Academy/TX, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Richard Milburn Academy/TX, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Richard Milburn Academy/TX, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Richard Milburn Academy/TX, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Richard Milburn Academy/TX, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Richard Milburn Academy/TX, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Richard Milburn Academy/TX, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of Richard Milburn Academy/TX, Inc.'s internal control over compliance. Accordingly we do not express an opinion on the effectiveness of Richard Milburn Academy/TX, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Total Expenditures of Federal Awards			<u>\$ 907,888</u>

See accompanying notes to Schedule of Expenditures of Federal Awards.

Richard Milburn Academy/TX, Inc.
Notes to Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2015

Note 1 Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of Richard Milburn Academy/TX, Inc. under programs of the Federal Government for the year ended June 30, 2015. The information in the Schedule is presented in accordance with the requirements of the OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of Richard Milburn Academy/TX, Inc., it is not intended to, and does not, present the financial position, change in net assets, or cash flows of Richard Milburn Academy/TX, Inc.

Note 2 Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the costs principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

Note 3 Standard Financial Accounting System

For all federal programs, Richard Milburn Academy/TX, Inc. used the net asset classes and codes specified by the Texas Education Agency in the *Special Supplement to Financial Accounting and Reporting, No-Profit Charter School Chart of Accounts*. Temporarily restricted net asset codes are used to account for resources restricted to or designated for specific purposes by the grantor. Federal and state financial assistance is generally accounted for in temporarily restricted net asset codes.
